

St. Therese's fetes Rev. Flynn

An informal reception for the Rev. Paul J. Flynn, former pastor of St. Therese's Parish, Shavertown, was held last Sunday in the church auditorium.

The Rev. Flynn had served at St. Therese's for two years before being assigned to the Clarks Summit church, Our Lady of the Snows.

Mrs. John J. Carey, president of the Altar and Rosary Society, spoke during the reception on behalf of the women of the parish, observing that the pastor had worked "enthusiastically with all members of the church."

John Butler, president of the Holy Name Society, presented the Rev. Flynn with a purse from parishioners. The Rev. Joseph Sammons, pastor of St. Therese's, and the Rev. John P. Walsh, pastor emeritus, served as honorary chairmen of the event.

threat was rendered moot when Mr. Kohl resigned from council and moved from the borough.

Most recently, Mr. Kasper has supplied legal counsel for Mr. Hoblak and four other borough residents when he filed a suit Aug. 27, 1970, to prevent the borough from borrowing money to undertake construction of a municipal sewer system.

Total legal expenses to taxpayers of Harveys Lake Borough as a result of legal actions filed by Atty. Joseph V. Kasper have been almost \$1,500.

In a news story published Oct. 8, 1970, *The Dallas Post* reported that Mr. Kohl had appeared at the regular meeting of Harveys Lake Borough Council to insist that he had not been driven from the council or borough by Mr. Hoblak. The *Post* reported Mr. Kohl as stating, "I just wanted to make very sure that nobody thought I'd been driven out by Mr. Hoblak or his buddy Joe Kasper—that punk and his cheap lawyer couldn't drive me out of this room let alone the borough!"

If Your Child is 19,

He'll need New Cards January 1st.

Dependent children of parents having basic Blue Cross and Blue Shield memberships are covered until the end of the year in which they become 19. (If the birthday occurs at any time during 1970, the coverage continues through December 31, 1970.)

The 19-year-old can, however, continue his protection by applying NOW for his own membership which would become effective January 1, 1971. To arrange such membership, contact your local Blue Cross office immediately.

NOTE: Physically handicapped or mentally retarded children may be included on the parents' basic Blue Cross and Blue Shield coverage after they become 19 (not, however, on Major Medical). In order to arrange for this coverage contact your local Blue Cross office immediately.

At 19, your child's too young to start worrying about health care bills.
