by female contenders, but that president of the Dallas Club, informed the group that he personally wished to thank the Kiwanis members, Dallas Borough Recreation committee, the Penn State and Luzerne Comthat this is only the first of a ities in which Kiwanis members of Dallas will be involved during the ensuing year. He also thankduring his recent term in office.

in 2-car accident

No personal injuries were sustained in a collision Saturday between a station wagon and a car on Church Street, Dallas. Ray Titus, police officer of Dallas Borough, investigated the 9:30 p.m. accident. His report stated John F. Sheehen, RD 2, Dallas, was traveling south on Church Street, Dallas, operator of a 1963 Chevrolet coupe, was backing out of Bowman Lane, when her car was struck by Sheehan's

Shafer says hunt safely

The period through Jan. 16 has been disignated "Hunt Safely in Pennsylvania Time" by Gov. Raymond P. Shafer.

The state's chief executive pointed out, "Hunting in Pennsylvania offers outdoor recreation for more than one million residents and 100,000 nonresidents demanding greater opportunities for the wholesome wealth's abundant wildlife re- until Dec. 19.

> However, he called hunting accidents "a careless and needless blemish on the record of a

Noting that more than 72,000 hunter safety class is Sat.

The final hunter safety instruction class sponsored by the Dallas Office of the Pennsylvania Game Commission will be held Oct. 24 from 12 p.m. until 6 p.m., Game Protector Edward R. Godsky has announced.

Mr. Godsky notes that as of Sept. 1, 1969, no hunting license has been issued in Pennsylvania to any person under the age of 16 years unless he has presented either evidence that he held a hunting license in this or another state in a prior year, or a certificate showing that he has successfully completed a course of instruction in the safe handling of firearms and bow and

With these new regulations, Mr. Gdosky states, it is important that young hunters receive appropriate certification. This may be accomplished by attending the six-hour course Oct.

Persons interest in attending the course may contact Mr. Gdosky at 639-1849.

successful day of duck hunting the pond and attempt to drive when they happened upon a the geese toward Dick and Charley. After crawling 300 yards on his belly toward the water's edge, Chuck was finally noticed by the tame geese who

Grouse hunters are permitted two per day and ten per year. Woodcock should again provide exciting hunting in the Keystone State this fall. There are populations of local birds, and the normal migration of
