

HALLOWEEN PARADE 1970

THE DALLAS POST—photo by James Kozemchak Sr.

"Don't be a litterbug" this little pleads. She was amply festooned with paper trash to dramatize her plea.

The World Series wasn't over yet for these quarter-size members of the Giants and Pirates teams.

This truck was one of the most popular vehicles in the parade. Members of the Circle K Club from the Wilkes-Barre Campus of Penn State threw lollipops by the score to eager bystanders.

More prize winners, including Big Bird of Sesame Street fame, a sad-eyed little man, the Pillsbury chef, and Santa and his helper.

Members of Luzerne County Community College's Circle K and Sinawik Clubs stepped smartly to marches played by the Stegmaier Band as they hoisted this giant American flag.
