

REALTY TAX

(continued from PAGE ONE)

Novicki, transportation committee chairman, reported that all transportation problems in the district have been solved.

A Lehman Avenue resident asked if students' permanent records are kept confidential and what laws if any govern the records.

Dr. Mellman stated the records are not available to parents or children. He said they are to be used only by guidance counselors or administration staff. Records are kept on every child from kindergarten through 12th grade, and include such data as achievements of student in school, personal habits and attitudes, and test results.

John R. Roberts was named as assistant coach of wrestling in the senior high school, and Walter Glogowski will serve in the same position in the junior high school.

Added to the list of available substitute teachers were Mrs. Nancy Buss, Dallas, and Mrs. Verdun Thomas, Plymouth.

On the non-professional employees list, the following available substitutes were named: Mrs. Eula Lewis, Dallas; Mrs. Ramona Dymond, Shavertown; Andrew Weber Sr., Sweet Valley.

Glenda Crabtree and Marilyn Klick were granted leaves of absence.

Permission was given for attendance at various workshops and conferences. James Broken-shire will attend the school administrators conference in Atlantic City in February.

Guidance counselors Thomas Carr and Gordon Schlier will attend a workshop on testing interpretation in Scranton during the latter part of this week.

In February, Mr. Schier, Sally Faerber and John Mulhern will attend the Pennsylvania Department of Education's three-day program on Drug Abuse Education to be held in Scranton. It was understood they would, in turn, come back to the school district and pass on their information on this vital subject to other teachers.

Commencement exercises for the 1970-71 school year will be held Friday, June 11, 1971, at 6:30 p.m. on the athletic field of the Dallas Senior High School. In case of inclement weather, the exercises will be held in the auditorium of the junior high school.

New band uniforms have arrived and were worn for the first time in the Veterans Day Parade in Wilkes-Barre Nov. 8. In that parade, the band placed second in competition with bands with less than 60 members.

public welfare sets dental fees

Stanley A. Miller, secretary of the Department of Public Welfare, today corrected a misconception created by the Commission on Economic Opportunity (CEO) of Luzerne County. In circulating a petition for higher fees to be paid to dentists serving Medical Assistance patients, CEO stated that fees paid by the Department of Public Welfare are agreed upon through a mutual arrangement between the Pennsylvania Dental Association and the Department.

"This is not so," Mr. Miller said. "The Department alone sets the fees, which are determined largely by budget appropriations made by the legislature."

The secretary, however, has appointed a special dental advisory committee with whom he has been meeting to discuss the problem of fees. "We are aware of the fee problems for dental services under the Medical Assistance Program," secretary Miller said, "and we will give serious consideration to the committee's recommendations."

Mr. Miller said he will make an effort to get increases in fees, if the fiscal condition of the Commonwealth will allow them, but added he is very doubtful whether extra funds will be available before July 1, 1971.

Members of the Pennsylvania Dental Association serving on the special committee meeting with Secretary Miller recently included Dr. John A. Hosage, Wilkes-Barre, and Dr. Pasquale Damico, Hazleton.

proper care of game urged

Reports of game spoiling during warm weather have been received by the Game Commission this fall.

Hunters are advised to handle meat properly during warm days; otherwise, it can become tainted in a few hours.

Sportsmen should remove entrails of game immediately after harvesting, and the meat should be kept as cool as possible until it can be processed.

WSCS plans Christmas

The Kunkle United Methodist Church WSCS met at the home of Arline Updyke Nov. 11 at 8 p.m. Dorothy Dodson, in charge of devotions, assisted by Naomi Ashburner, Eunice Mitchell and Lana Birnstock. Betty Meeker presided at the business meeting and Jeannie Hilbert was co-hostess.

Plans were made to have the Christmas party at the Community Hall Dec. 9 at 6:30 p.m. Dorothy Dodson, Dorothy Henney and Anna Maude Landon will be in charge of the menu. Lana Birnstock and Sylvia Brace will be in charge of the program, decorations and games. Members are requested

to bring their own place settings.

Hostesses at the January meeting will be Sylvia Brace and Betty Kintzer.

Also attending the meeting were: Dorothy Henney, Winifred Stompler, Jennie Miers, Anna Maude Landon, Doris Harrison, Dorothea Heinen, Ruby Miers, Ella Brace, Sara Kerlin, Ann Weaver, and Sylvia Brace.

POLICE FORCE

(continued from PAGE ONE)

common problems in the Back Mountain area have tended to obliterate municipal boundaries in the enforcement of laws of the Commonwealth.

Dr. Hugo V. Mailey, director of the IRA, suggested that both Back Mountain townships have manifested a genuine interest in safer communities through improved police service and believe the provision of police aid across jurisdictional lines will increase their ability to preserve the safety and welfare of the entire area.

The Back Mountain Area Police District shall be under the general supervision of a Joint Police Commission consisting of one representative from each municipality party to the agreement. Philip Walter will serve as police commissioner from Dallas Township, and W. Richard Mathers will serve from Kingston Township. The commission will supervise as required in each participating municipality. Central police headquarters will be located in the Dallas Township Building.

Signing the agreement were: W. Richard Mathers, Edward Richards and Edward W. Hall, Kingston Township supervisors; Glen Howell, Philip Walter and Fred Lamoreaux, Dallas Township supervisors; Chief Herbert Updyke, Kingston Township; Chief Frank L. Lange, Dallas Township; Michael J. Stanley, secretary, Kingston Township; Atty. Frank Towend, solicitor, Dallas Township, and Atty. Ben Jones III, solicitor, Kingston Township. Dr. Hugo V. Mailey was also present.

Blue Shield up for health care

Pennsylvania Blue Shield will pay out about \$234 million this year for the health care costs of its regular members and for Pennsylvanians covered under government programs administered by Blue Shield.

Robert E. Rinehimer, president of the state-wide health care financing plan, said the amount is about \$30 million more than was paid out during 1969.

Blue Shield will process more than 6.4 million claims in 1970, an increase of about 7 percent over the six million processed in 1969. Much of the increase is accounted for by a 130,000 in-

crease in the number of Blue Shield subscribers during the year.

More than 5.7 million Pennsylvanians are expected to be Blue Shield members by the end of 1970. Another two million state residents will be served through the government programs which Blue Shield administers in the state, primarily for Medicare Part B and Medicaid.

Thus, the total number of persons served by Pennsylvania Blue Shield will reach 7.7 million by year's end. This represents 66 percent of the state's population of 11.6 million. Pennsylvania Blue Shield continues to be the largest Blue Shield plan in the U.S. based on the number of persons served through all programs.

rummage sale at St. Therese's

A rummage sale will be conducted by members of St. Therese's Altar and Rosary Society, Nov. 20 and 21, in the church auditorium. Mrs. Robert T. Yarashus is chairman.

The hours of the sale will be from 10 a.m. until 8 p.m. Nov. 20 and from 9 a.m. until 5 p.m., Nov. 21.

Assisting with arrangements are Mrs. Thomas Sturm, Mrs. Thomas Carr, Mrs. Thomas Ochman, Mrs. Walter Williams and Mrs. John T. Luke.

All members are requested to help at the sale. The Rev. Joseph Sammons is moderator of the Society, and Mrs. John J. Carey is president.

another bear and cub sighted

Another large black bear, with cub, has been sighted near the Midway Manor section of Kingston Township.

Police Chief Herbert Updyke reported that Art Williams of Woodbine Road, Midway Manor, was driving to his home Tuesday morning at 8:55 when he saw the bear and its cub crossing Doug Road near Margars Hardware Store. Mr. Williams told the chief the mother bear was tagged with white markers in both ears.

Chief Updyke said he understood that bears in Wayne, Pike and Monroe Counties have been caught and tagged, and then released on state gameland 57, near Noxen.

Several reports of bear sightings have been reported in the area.

bikes still top most wanted list

If past records are any indication, Santa Claus will probably deliver nearly one million bicycles to as many happy youngsters this year.

Bikes are still the most asked for gift with the young set, and the attractive and colorful "high riser" models lead the list of youthful bicycle desires.

But Santa may find he's delivering more than the usual amount of lightweight adult bikes this year. More and more grownups are rediscovering the pleasures of cycling for fun, fitness and cleaner air.

Santa knows that bikes don't pollute.

summer home entered illegally

A summer residence at Warden Place, Harveys Lake, has been broken into, Police Chief Walbridge Leinthal, reports, although at this point of the investigation it appears that nothing was taken from the cottage.

Mrs. William Owens of McLean St., Wilkes-Barre, reported to Harveys Lake Borough police Monday that a pane of glass in the front door of the family residence had been broken sometime between noon Saturday and late Sunday.

So far as could be determined nothing was stolen, but the chief said the investigation would continue.
