

auto theft reported at Isaacs

There is a 1971 Plymouth Roadrunner whose driver did not go through the formality of buying the car from Howard Isaacs Sales and Service, 163 S. Memorial Hwy., Trucksville.

The discovery of a car missing from Isaacs' parking lot was made at 6:10 a.m. Tuesday morning by William MacMillan, an employee. The vehicle was stolen sometime between 9 p.m. Monday night and 6 a.m. Tuesday morning.

Person or persons unknown entered the service building through a window on the roof. The window casing was forced and the window then removed. The thief jumped to the garage floor. Ignition keys were taken from a board in the garage proper.

The person(s) went outside to the parking lot and drove away the Plymouth Roadrunner. Valued at over \$4,000, the vehicle is described as metallic blue with black vinyl top. There were no license plates on the car, but an inventory is being taken to determine if any plates are missing from other vehicles or dealer's license plates.

Patrolman Elliott Ide investigated and alerted State Police. A county alarm was put out at 7:45 a.m.
