Choristers program

The Dallas Choristers provided entertainment for the senior high population April 7 in a musical assembly. The program included many popular songs such as "Traces", "I'll Never Fall In Love Again", "Love Can Make You Happy", "Both Sides Now", and others. The group, which consists of musically inclined sophomores, juniors, and seniors, presents concerts throughout Wyoming Valley continually. Their presentation at school was an indication of how hard these students work during after-school hours to perfect their numbers and accompanying choreography.

Track

Congratulations to the entire track team on their victory over Pittston in the first meet of the season. The event, which was originally scheduled for April 1, took place April 5, with the final tally in Dallas' favor, 95-55.

Students beware

Do you know that 10 of our students are taking judo lessons at the YWCA? Marian Rosser, Mary Anne Sickler, Fern Carhuff, Debbie Herritt, Kathy Karuza, Karen Karuza, Mary Cully, Cathy Grieshaber, and Cheryl Hontz have already lasted through four weeks of the eight week course. Not only are the lessons fun but also prepare the girls with an excellent method of self defense. Now you know who not to get fresh with, boys!!

National Honor Society

The senior members of the National Honor Society recently participated in a seminar at Wilkes College. The students had a choice of approximately 15 different seminars in which speakers lectured on various topics. The day consisted of a morning seminar followed by lunch, a tour of the campus, and then an afternoon seminar to complete the program.

annual cat show to boast 324 entries

324 Cats from all over the United States and Canada, including one coming from California, are entered in the Fifth Annual Championship Cat Show (CFA) of the Northeastern Pennsylvania Cat Club. The show will be held at the Host Motel in Wilkes-Barre from 10 a.m. to 8 p.m. April 17, and from 10 a.m. to 4 p.m. April 18.

The Show gives area residents a chance to see the top cats of the country, including many of the championship cats from this immediate area. All breeds, all colors are represented in the championship categories while in the Household Pet Division are many local cats whose beauty and friendliness are the pride of the homes in which they live.

One of the top cats in the country is Belvoir's Sidero of Bushome, the Grand Champion

Silver Tabby, owned by Philip and Shirley Bush of Factoryville. The unusual feature about "Sid" is that he made his grand championship in just the first two shows he entered. In the household pet division, "Spike" who makes his home with Dick and Frances Evans, Wilkes-Barre, and forecasts the weather daily over an area radio station, has no registered papers or pedigree. His only "papers" are those furnished by the Luzerne County Society for the Prevention of Cruelty to Animals which show that nine years ago "a male kitten, Number 748" was released to make his home with the Evans'. "Number 748" became "Spike", the 4F Fearless, Faultless, Feline Forecaster.
