Misericordia Freshmen Attend Inaugural Ball

College Misericordia freshmen held the last formal dance for the academic year at the college last Saturday night when they presented the annual Inaugural Ball for freshmen and their escorts. The ball was held in the Redwood Room of Merrick Hall on campus with over 300 people attending. Music was provided by the "Stainless Steele".

The theme of the 1971 Inaugural Ball, "Colour My World," was expressed in multi-colored decorations. Freshmen and their escorts entered the

ball through a tunnel of tissue paper flowers. Inside, the walls of the dancing area were hung with streamers of blue, lavender, green, yellow and pink crepe paper. A mobile of papier-mache spheres accented the center of the dancing area.

For a photo center, the students constructed a carousel complete with brightly painted horses. The carousel also carried the theme of the ball.

For table favors, the students were given miniature brandy snifters with different colored

roses inside. Later in the evening, it was announced that the girl at each table with the brandy snifter containing a pink rose had won the table centerpiece. The escorts were given engraved steins as table favors.

Following the ball, the students attended a Mass in memory of their three classmates who were killed in the recent auto accident. The Mass was held in the Blessed Sacrament Chapel on campus. The Rev. Michael Rafferty celebrated the Mass.

delicious "MG Special" is Suzie's favorite recipe

Because Suzie Hudak has been cooking and baking since she was 7 years old, it wasn't really very difficult for her to complete the requirements for her Girl Scout cooking badge recently.

Suzie, now 9, long ago learned many more than the required 10 terms used in cooking; she's an old pro at measuring both liquid and dry ingredients; she's baked and frosted many cakes in her time; and the ins and outs of meal planning hold few mysteries for this young cook.

Perhaps her favorite recipe is one she has chosen to share with Post readers. Called "M.G. Special," the uniquely easy-to-make dessert is named after Marge Goodwin, a teacher's aide in the Beaumont Elementary School who is, Suzie explains, "Mommy's right-hand man in school." (Mommy is Alice Ide Hudak, fourth grade teacher and team leader at the Beaumont School).

According to Alice, Suzie is another of her "right-hand men." In addition to her cooking skills, Suzie helps keep the Hudak home on the Huntsville-Idetown Road in Lehman sparkling by sweeping and dusting and "doing whatever else she's asked to do." A first year Girl Scout, Suzie has also earned her Housekeeper badge.

Suzie's hobbies include collecting fans, romping with her miniature dachshund Sally,

and riding Starr Brite, her pony who is stabled at Grandfather Ide's farm next door. A fourth grader at the Lehman-Jackson building, Suzie enjoys school and is an avid reader.

Besides her mother, two of our young chef's staunchest supporters include her Dad and younger brother Johnny. (Dad is John Hudak, well-known musician and leader of the musical group, The Merrimakers). Both enjoy Suzie's cooking, especially the "Yummy Casserole" which is included here.
