"Spring has sprung" for members of Lovey Kompinski's morning kindergarten class pictured above.

### Spring Has Come to Kindergarten

Lovey Kompinski's cheerfully decorated room at the Dallas Kindergarten Building is showing signs of spring, with colorful cardboard flowers blossoming against the walls.

The large round tables which provide such nifty work surfaces for members of Miss Kompinski's morning and af-

ternoon kindergarten classes are frequently covered with books about spring, and the pile of boots and snow pants and heavy winter coats which the youngsters wore during the winter has changed to include Easter bonnets and lighter weight jackets.
