

Plains Nine Upsets Back Mt. All-Stars

The Back Mountain All Stars were eliminated from competition when they were defeated by scores of 3-2 on their home field in Dallas, and 4-2 at Plains by the Plains' nine. The team made a valiant attempt to take the first game, putting a runner on third in the bottom half of the seventh inning, but Plains beat them out when their pitcher came through with a strikeout.

In the second game, a fine play by the Plains' third baseman with two out and the bases loaded, ended the Back Mountain boys' try for a victory.

Hits by the Back Mountain aggregation were collected by Jack Wolensky with three, J. Labatch, Cliff Kozemchak, Earl Monk, Steve Meskers, Andy Chacko with one each, and Chuck Wilson hitting out two.

Despite the losses, the boys played good defensive and offensive ball as the scores indicate, and fans look forward to more spirited competition next season.

The efforts of both the teenage boys and the adults who gave freely of their time and ability are to be commended in bringing some good games to baseball fans of the Back Mountain area.

Canadian Fishing Trip Nets Mammoth Pike

Eight Back Mountain area men returned this week from a 10-day fishing trip at Carrier Bay, Quebec, where they were deluged with nine days of rain and cold weather.

One member of the party however, failed to have his spirits dampened by the miserable weather. Andy Denmon, Dallas resident, was successful in hooking one of the largest pike to be taken out of the waters where they were fishing.

He managed to outwit and bring to shore a 26½ lb. pike which measured 48 inches in length.

Mr. Denmon has been traveling to Canada for the past 28 years, fishing lakes from the U.S.-Canadian border to as far north as it was possible for him to go. He reports that over the years he has caught hundreds of fish, some of them "unusually large ones" but this one is the biggest he or any one in his party has ever landed.

Members of the fishing party also included Harold Brobst, Fred Templin, Caddy LaBar, Tuffy Rogers, Ambrose Gavigan, Tom Weida, and Vic Barrouk.

Second row: Coach Bud Slocum, David Rodriguez, Billy Barrall, David Onzik, Randy Schoonover, Brian Bednar, Ernie Slocum, John Gaisl, Manager Bill Weaver. Kyle Sutton was absent when the picture was taken.

Lehman-Jackson Cards Clinch Championship

The Lehman-Jackson Cards of the Back Mountain Minor League clinched the league championship Saturday by finishing the season with an impressive record of 10-0. All the victories were turned in by Ernie Slocum on the mound, who, at a picnic for the players and their families after the game, was awarded the Most Valuable Player award. Ernie pitched 50 innings, struck out 100 batters and walked only 21, while giving up 20 runs.

Awards were also presented to Kevin Wagner—most hits (14), Brian Bednar—highest average (.571), Billy Barrell—most improved player, and Greg Bogdan—most versatile. John Gaisl, was given the

game ball of the 10th win for his fine job behind the plate, and a ball was given to Randy Schoonover for his home run in the fourth game.

As a token of the boys' appreciation, engraved gold key chains were given to Coaches Bill Weaver and Bud Slocum. A special trophy was also awarded to both coaches by Mr. and Mrs. Charles Bednar.

Publicity Information Deadline

Due to a tightened deadline schedule, no publicity information can be accepted later than 4 p.m. Monday unless the event takes place that day or night.

Mama-mia: That's A Lot of Beer Trucks!

One of the top "jockeys" in the country will be at Pocono Downs tomorrow night. He's Evel Knievel. Only his steed is a mechanical one—a Harley-Davidson, 750 cc. X-R motorcycle.

The internationally famous stuntman will attempt a world's record hurdle over a long line of Stegmaier beer trucks in a special exhibition event which is being featured with the nine-race thoroughbred program. Knievel also has been scheduled for a special appearance this Saturday evening when he'll ride his cycle on one wheel. This is a feat Knievel has performed at distances exceeding one mile, standing up

on the machine or sitting at speeds up to 100 miles an hour. He also jumps ramp to ramp over, not less than 10 automobiles, a distance of approximately 40 yards from take-off to landing.
