

Alfred Ackerson Installed As Kiwanis Club President

Legion Auxiliary Holds Installation

Last Wednesday evening at a special installation dinner at the Irem Temple Country Club, Alfred Ackerson took office as president of the Dallas Kiwanis Club. He and other new officers for the 1971-72 year were installed by Division 15's Lt. Gov. Paul Riffle of the Pittston Kiwanis Club. Lt. Gov. Riffle retired the 1970-71 officers and then charged the incoming officers with their duties. In addition to Mr. Ackerson as president, others taking office are: Bernard C. Banks, first vice president; George Nichols, second vice president; Martin Moore, treasurer; Richard G. Evans Jr., secretary; Raymond Hillman, director; William Baran, director; John F. Sheehan, director.

The retiring officers of Kiwanis were commended for their fine work and service to the club and community during the past year. Past President Donald Anthony, in his final remarks, pointed out that in the past year Kiwanis had done a commendable job with their many community and service projects. He especially was pleased with the Festival of Music, the Circle K, and Key Clubs' work during the year.

Mr. Anthony was presented with a plaque for his leadership to the club during the past year. Immediate Past Lieutenant Governor of Division 15, Leo Corbett of the Dallas Kiwanis Club, presented to the club a single service award for the Festival of Music which was the most outstanding single project during the last year.

Lt. Gov. Riffle, upon installing Alfred "Al" Ackerson as the new president, stated that there could be no other person more active and devoted to Kiwanis. Mr. Ackerson, who joined Kiwanis in Moorestown, N.J. in 1950, moved to this area and joined the local club in 1960. Since that time he has been secretary of the club, Lieutenant Governor of Division 15, and active on Circle K committees at the District and National levels.

The men and women of Kiwanis were entertained during dinner by two young pianists, Edward and John Shulde. Following dinner there was dancing to the music of the Starlons.

Industrial Management Club To Meet in Wilkes-Barre

What's ahead for business in general, and management in particular, during 1971-72? Is there going to be an upswing in the economy? These are questions that will be answered by David H. McKinley, associate dean, College of Business Administration and Professor of Banking, Penn State, at the monthly meeting of the Industrial Management Club of Wyoming Valley, Oct. 19, 6:30 p.m., at the YW-YMCA auditorium, Wilkes-Barre.

Walter Weir to Serve On Municipal Authority

Walter Weir Sr. was named, at the October meeting of the Dallas Township Board of Supervisors, to serve as a representative to Dallas Area Municipal Authority. Mr. Weir replaces David Coyle, a former resident, who has resigned.

Residents from College Manor, who attended the meeting, sought information concerning maintenance of Lake Road. They were advised to contact Pennsylvania Department of Transportation for needed repairs, as it is a state road. However, Fred Lamoreaux, road superintendent, in answer to the inquiry, said his department would repair pot holes at the entrance to College Manor right away.

An ordinance was adopted by the three-man board accepting Robbins Road, Haddonfield Hills, as a township road.

John Farrell, personnel administrator for Luzerne County, informed the board by letter that one job has been allocated to the township under EEA Project. Classified under maintenance, the job will have an annual salary of \$4,800. Three names for the post must be submitted, and a choice will be certified by EEA, which also provides the funds.

Chairman Phillip Walter announced the November meeting will be held the first Monday of the month, instead of Tuesday, due to general elections.
