Misericordia Holds First Trustees Day

Members of College Misericordia's Board of Trustees conducted the first "Board of Trustees Day" ever held at the college last Friday as the board members availed themselves for open discussion with all members of the college community.

In the interest of promoting better communication at all levels of the college community, the board members assembled in Kennedy Lounge on campus and invited students, faculty members, and administrators to meet with them over coffee for informal discussion.

Following a two-hour morning session, the Board had lunch with the students in the

college's dining room. In the afternoon, they were again available for open discussion from 1 to 2, held their regularly scheduled meeting, and dined again with the students during the evening meal.

The experiment in better communications was a success, according to College Misericordia president, Sister Miriam Teresa, RSM, with large numbers of the college community attending the discussion sessions. Board members were particularly pleased with the number of students attending, Sister Miriam Teresa said, providing the two-way communications flow sought by the Board.

James Dick of Dallas, member of the College Misericordia board of trustees and vice president of Fowler, Dick and Walker, Wilkes-Barre, discusses goals for College Misericordia students during the recent "Board of Trustees Day" held at the college. The special day was designed to provide the opportunity for open communication among all levels of the college community.

Wilkes Names Piazza To College Who's Who

Ross Piazza, son of Mr. and Mrs. Joseph Piazza of 99 N. Pioneer Ave., Shavertown, has been selected for recognition in the forthcoming 1971-72 publication of "Who's Who Among Students in American Colleges and Universities," according to George F. Ralston, dean of Wilkes College.

Mr. Piazza is one of 32 Wilkes College seniors thus selected. He and his colleagues have been recognized for their contributions to the college and the community and during their college careers have maintained an academic average of not less than 2.0.

UNICEF is active in over 100 countries, bringing millions of children better health and nutrition. But physical care is not all that children need. One-third of UNICEF's resources are spent on aiding education. To keep pace with population growth, UNICEF is steadily increasing its flow of educational equipment and teacher-training grants in many of these countries.

Selection for the publication is based on preliminary selection by the deans and referral to department chairmen for approval. Then additions or deletions are made on recommendation from the chairmen. The final approved list is then sent to the journal for publication.

Mr. Piazza, a graduate of Dallas Senior High School, has been active in student government. He lettered in wrestling in high school.

Queen Candidates Named at Dallas

The Dallas Homecoming game is scheduled for Nov. 6 at 2 p.m. at the Dallas stadium when the Mountaineers will take on West Side Central Catholic. Half time activities will include crowning of the 1971 queen by last year's queen, Pam Morris.

The newly crowned queen will reign that evening at the annual Homecoming Dance. Tickets are on sale in the Senior High office. The dance will be held from 8 to 11:30 p.m. in the senior high gymnasium. Music will be by "Gibraltar."

Adult Scouters To Be Honored

More than 500 persons are expected to attend the 1971 Adult Scouters' Recognition Dinner to be held Nov. 17 at Convention Hall in Pittston Township, announces Trucksville resident, Thomas L. Peeler III, program chairman.

The occasion will honor regional adult Scouters—unit leaders, assistant leaders and committee den mothers—for their outstanding performance and leadership among the Cub Packs, Scout Troops and Explorer Posts of the Penn Mountains Council, Boy Scouts of America. Russel W. Lackie, Kingston, is general chairman.

Principal speaker for the evening will be Clifford L. Jones, former Commonwealth Secretary of Labor and Industry. Before his appointment as Secretary of Labor and Industry by former Gov. Raymond P. Shafer in 1969, Mr. Jones also served as Secretary of Commerce during the same administration.
