These Back Mountain youngsters have taken on a new venture—as news carriers for the Dallas Post. They will give readers fast and efficient service by getting the paper delivered to their doorsteps in fair of inclement weather.

We feel that these young people, as members of our newspaper staff, are a vital part of our operation. Therefore, we take this opportunity to publicly extend our appreciation and gratitude for the service they will perform, both for us and the customer.

Throughout the coming weeks, as more news carriers join our staff, we will introduce them to the community. We sincerely hope that you will also extend appreciation to these energetic news carriers by supporting his or her endeavor.

Dallas Boosters Sponsor Snacks for Football Fans

Dallas High School home football games would not seem the same to fans without the two refreshment stands - one at each end of the field. The stands, sponsored by the Dallas Letterman-Booster Club, were opened nine years ago for the purpose of raising funds needed to sponsor trips to major sporting events for all male and female members of the school's athletic teams.

The amount of food and beverage dispensed at each home game attests to the success of the club's moneyraising activity. For an average home game, the hardworking volunteers report that it is nothing to serve at least 80 trays of pizza, 35-50 pounds of hot dogs (donated by Ray Daring), 2,000 cokes, 1,200 candy bars and 10 dozen bags of chips and pretzels.

Over the past nine years there have been many volunteers who

have contributed their time and effort working in the stands, but there is a small group of volunteers who have returned year after year since the stand opened.

At the far end of the field, the stand is staffed by regulars Mr. and Mrs. Jack Porter, Mr. and Mrs. Raymond Parsons, Charles Snyder Sr., and Mr. and Mrs. Robert Deeble.

The main stand at the field entrance where fans can purchase sizzling hot dogs is staffed by regulars Dick Farley, hot dogs; Bob Pickett, pizza; and Mrs. Robert Hislop, Mrs. William Dierolf, Mrs. Fred Davis, and Mrs. Lynn Sheehan.

Red Brace, chairman of the stands, also had a long list of people who pitch in to help whenever necessary - a list so long space would not permit listing them.

Ted Kostrabala is a familiar

figure at every home game and there are few people who have not been solicited by him for a membership in the local club. He usually has on hand license plates and other items for sale in order to add to the club treasury.

Two additional moneymaking projects of the Booster Club are the Booster Game program directed by Frank Wallace, and the parking work at each game.

The Dallas Letterman-Booster Club was organized in 1962 with Bob Anderson serving as first president. The club meets weekly during football season in order to view the film of the past week's game. The rest of the year they meet once each month.

Present officers are Robert Pickett, president; Tex Wilson, vice president; Frank Wallace, vice president; Charles Siegel, secretary, and Raymond Parsons, treasurer.

Board of directors include Carl Goeringer, William Dierolf, Albert Pisaneschi, Edward Johnson, Robert Hislop, Robert Anderson, Ned Hartman, Jack Porter, Carl Kaschenbach, Richard Farley, Ted Kostrabala, George Kostrabala, Joseph Borton, Robert Kleiner and Red Brace.

Red Brace is chairman of the motorcade which will leave from the Dallas High School, Thanksgiving, at 8:30 a.m. and proceed to the Lehman field for the Turkey Day game between Dallas and Lake Lehman. Persons wishing to participate are requested to be at the school before 8:30 with their cars decorated in the school colors of blue and white.

Bob Pickett, president of the Dallas Letterman-Booster Club, works at pizza counter at one of two refreshment stands at Dallas High football field.

Scout Council Plans Presentation of Pins

Presentation of pins in relation to years of membership in the Girl Scout movement is completed annually by Penn's Woods Girl Scout Council. Pins are awarded at the Winter Community Association Meetings held throughout the council's six-county jurisdiction.

Membership Pins are given in multiples of five years and to insure accuracy in presentation, all registered adults of Penn's Woods are encouraged to submit in writing their total years in Girl Scouting. Mention was made that such membership need not be of a continuous nature. Postal returns should go to the Council Office, 336 Wyoming Avenue, Kingston by the deadline date—Dec. 1.

Commenting about membership in the Scouting Movement, Council President Mrs. Harold Rosenn, Kingston, said "when we think of Girl Scouts we think of youngsters... and so most of them are. However, a number of the 'girls' are over 18. There are even a number of grandmothers among the adults who make it possible for girls to share in the countless activities which Scouting offers. The variety of these activities means that there is something for every girl in Scouting, whether she be interested in nature, the arts, homemaking, or learning about other coun-

tries and meeting girls from other lands.

"To explore these varied fields, the girls need qualified, well-trained leaders and program consultants. In addition, adults are needed to keep the council machinery running smoothly to provide good program and good camping facilities. All-in-all, it is the adult volunteers who owe it to all girls who wish to be Girl Scouts to make it possible."
