

## New Officers Preside At Radio Club Meeting

The Galaxy Citizen Band Radio Club of Northeastern Pennsylvania met Sunday evening for their regular monthly meeting, at Starbuck's Hall, West Wyoming. Andrew Glowach, RD 3 Wyoming, president of the club, presided.

The other new officers took over their new duties: Elmer Fisher, vice president, Wilkes-Barre; Mrs. Andrew Glowach, treasurer, RD 3 Wyoming; Mrs. George Roxby, secretary, Pittston; Mrs. Kenneth Hunter, corresponding secretary, Dallas.

Mr. Lyons announced that there will be a fox and hound hunt in February.

The club will monitor Channel 13 with the hope that some of the illegal practices can be curbed on that channel.

Mrs. Hank Lyons is chairman of the rummage sale, to be held in the spring. Co-chairmen are Mrs. Art Santarelli, Mrs. Hunter and Mrs. Charles Schoonmaker.

Kenneth Hunter, chairman of the board, gave a report on the recent board meeting. The club voted that the board of directors will be in charge of getting information on a communication van and equipment for the van.

A family bowling party is planned for a Saturday evening in January. Bill Weichec is in charge of this affair.

A children's, afternoon movie party will be held at the hall, Feb. 17. Mrs. Edward Starbuck is in charge of refreshments.

A Valentine fondue party will be held, Feb. 9. Mrs. Glowach, Fay Williams and Mrs. Hunter are in charge of this party.

Two short movies were shown.

Mr. and Mrs. Lyons were surprised with a cake, and presents for their new home. Mr. and Mrs. Lyons just moved to Dallas from Luzerne. Mr. Lyons is one of the club's past presidents.

## Prima Facie Case Found In Alleged SCID Stabbing

Prima facie evidence has been found to exist against two residents of the State Correctional Institution at Dallas (SCID), charged with stabbing another resident 26 times during a recent incident in the institution's maximum security exercise yard. Richard O. Mayberry and Joseph Fleishman allegedly attacked Ronald Benson, stabbing him repeatedly, before they were subdued by SCID guards.

The prima facie decision was handed down by Dallas magistrate Leonard Harvey, Jan. 2. The hearing had been postponed from an earlier date, to allow Mr. Benson to more fully recover from his wounds.

Mr. Mayberry and Mr. Fleishman now face potential grand jury indictments for "criminal attempt to commit murder," "aggravated assault" and "assault by a prisoner." All complaints were filed by Donald L. Taylor, criminal investigator and trooper from the Wyoming Barracks of the Pennsylvania State Police.

Mr. Mayberry is well-known to those familiar with the state's correctional system for the number of disturbances he is alleged to have been involved in. He is serving a long sentence, due to the additional years that have been added to his original sentence.

## The 'Arkansas Lassies' Will Play at Dallas H.S.

The "Arkansas Lassies", nationally known all-girls basketball team, will meet the Senior High Faculty men's team, under men's rules, at the Dallas Senior High gym, Feb. 2, at 8 p.m.

The "Lassies" will bring many years of road experience, and nearly a million miles of travel and fun-making to town.

Having played in all 50 states, as well as overseas, before thousands, this world championship troupe will bring a record of 149 wins in their last 151 games. This was accomplished under men's rules and against men's teams. They are noted for all kinds of comic antics.

The world champions of girls basketball are appearing here under the sponsorship of the Dallas sophomore class.

Advance tickets are on sale at the Dallas Senior High School.
