Peanut Hulls Provide New Fuel Source

It's not peanuts, but their hulls that are warming the hearths of ecology-minded homeowners this year.

A non-smoking, long-burning fire log made from peanut hulls is agriculture science's newest approach to the energy crisis.

Produced commercially for the first time this winter, the logs are made from ground hulls mixed with waxes and compressed into standard fireplace-size.

Besides providing a new fuel for home owners, the logs solve a disposal problem for surplus hulls.

Traditionally, hulls left over from usual uses like cattle feed, poultry litter, and garden mulch have been burned in large incinerators near shelling plants.

Jackson Twp.

by Millie Hogoboom 696-2603

There is reputed to be a gold mine in Jackson Township on the Death Valley Road. Its treasures are there for all to take. You do not need a pick, nor shovel, nor washing pan. Just a sturdy bag to haul away the loot. Unfortunately, this sparsely inhabited road has become a dumping ground for beer cans and other unsightly litter. It is now a junkman's paradise. Those cans, bottles and papers so carelessly tossed are worth money. Even more important they represent valuable unreclaimed resources that America can ill afford to lose. If only the people who deposited those cans and bottles along this road and every other road in our township would take time to look at the eyesore they have created, then surely much of this problem would be eliminated. Meanwhile, if you see anyone in the act of discarding litter, jot down their license number, and give it to Police Chief Don Jones. Perhaps prosecution in a few cases will be the best deterrent of all.

Paul and Helen Gross, former residents of Sutton Road, spent last weekend visiting their daughter and son-in-law, Mar-

Luzerne Policemen

Plan Annual Ball

The Luzerne policemen will hold their annual policeman's ball, Sept. 7 at the Knights of Columbus, Main Street, Luzerne.

Tickets can be purchased from any Luzerne policeman. Proceeds will be used to purchase new police equipment, primarily new summer uniforms.

Mayor George Shonk is chairman of the affair. The Henry Charles Orchestra will provide music for listening and dancing. Refreshments will be served.

sha and Charles Hardwick. Mr. and Mrs. Gross have just returned from an 88-day cruise around the world. They have now moved to their summer home in the Thousand Islands of Canada. The Hardwicks also have as their guests this week his daughter and son-in-law, Toyie and Mike Walker of Vail, Colo.

Jeanne Weggel, daughter of Mr. and Mrs. Ralph Weggel, Sutton Road, was inducted into the National Honor Society at Bishop O'Reilly High School last week.

Mr. and Mrs. Justin Bergman of Briar Hill had as their guests last weekend, Mr. and Mrs. Henry Tallman Sr. and Henry Tallman Jr., of Charleston, West Va. The engagement of Mrs. Bergman's daughter, Jill Jeter, to Henry Tallman was announced recently. Last Sunday Jane Kirmse invited a small group of Jill's friends to a party at her home on 42nd Street, Idetown, to meet Henry and his parents.

Another around-the-world traveler is Chaz Levy of Huntsville Road who has just returned aboard a ship of the Swedish American Line.

Bette and Charlie Snyder moved last Friday into their new home in Orchard West, The Newberry Estate. The Snyders were former residents of Wyoming Avenue, Forty Fort. During the aftermath of the Agnes Flood, they were guests of the Ray Turners and Henry Dorans on Sutton Road. We know they are happy to be settled in the Back Mountain at long last.

Also moving into a new home in Orchard West, The Newberry Estate, last week were Dick and Eleanor Guckelberger, former residents of Westmoreland Avenue, Kingston. Incidentally the first day in their new home just happened to be their 36th wedding anniversary.

The members and their guests of The Newberry Estate are looking forward to Monte Carlo Night which will be held in the Recreation Center May 11. Cocktails and buffet will precede the gambling (with play

money, of course) for fun and prizes. Among the prizes to be won are a television set and a golf bag. A variety of games of chance such as Black Jack, Bingo, and Roulette will be conducted. Bill and Pat Johnson and Jake and Shirley Nicholson are co-chairmen for the party. Reservations may be made by calling 675-5236.

Mr. and Mrs. Robert Weaver and Mr. and Mrs. Austin Howard, both of Sutton Road, and Mr. and Mrs. Clint Ide, Lehman and Mrs. Harrison Smith, Dallas attended the funeral Saturday of Robert L. Clare of Perth Amboy, N.J., who was a frequent visitor to our community.

Renee Spath is chairman of the decorations committee for the Flower Ball sponsored by the Mental Health Association May 18. Some of her neighbors who will help her turn the Treadway Inn into a "Japanese Garden" for the occasion are Janice Barney, Pat Snowdon, and Diane Ushinski, all of Sutton Road. Also assisting her will be Mrs. Adrian Pearsall, Mrs. J. J. Serafin and Mrs. Richard Rosenthal.

Don't forget to look for bargains at the rummage sale sponsored by the women's auxiliary at the fire hall May 9 and 10.

Our latest newcomer is Catherine Nell Price who was born April 27 at Nesbitt Memorial Hospital. She is the daughter of Mr. and Mrs. John W. Price Jr. She weighed in at 5 lbs., 11 oz. and was 20 inches tall. Her maternal grandmother for whom she was named, Catherine Reade, Nazareth, spent a week taking care of her big brother, John III, who is 2½ years old. Mr. Price is the farm manager for the State Correctional Institution at Chase.

Which reminds me to wish all mothers a very special "Happy Mother's Day—1974".
