DER Blocks (continued from PAGE ONE) Plant manager Tom Bagley was instructed to set up a meeting with the Kingston Township supervisors, Swoyersville Borough Council and their solicitor, and DAMA to discuss the possibility of Marcycourt residents being hooked up to the Swoyersville sewerage system. David Stevens, representing the Robert Laux Agency, requested information about the time schedule for Sewer Extension Plan One, and approval for a 23-acre development on Machell Avenue, Dallas. Mr. Stevens was told that the extension is on a priority list as number 79, and it is hoped that construction will be complete by the spring of 1977. He was also instructed to submit a plan of the proposed development to DAMA for approval with provisions to hook up to the extension in the future. Three bids were opened for lateral and construction work for DAMA from American Asphalt, H. DeLong, and Hoover and Milbrodt. The bids were tabled and will be discussed at a special meeting in the near future.
