## Lewis Isaac Appointed Asst. Wrestling Coach

Lewis Isaac, history instructor at Dallas Senior High School, is the assistant wrestling coach to Larry Schuler, for the 1974-75 season.

Mr. Isaac, a Dallas resident, is a native of the Back Mountain and graduated from Dallas Senior High School in 1965.

While a student at the senior high school, Mr. Isaac was a member of the junior varsity wrestling team for one year and the varsity squad for two years. Following graduation, Mr. Isaac attended Keystone Junior College where he wrestled under Larry Fornicola and became state champion at 126 lbs. Mr. Isaac graduated from Millers-

The Coughlin boys were on the short end of the 20-17 score until the final two bouts. The Crusaders took the first three bouts but the Knights came on strong to take four straight and forge ahead 17-11.

## Youths Urged to Keep '74 Hunting Licenses

Pennsylvania's young hunters are reminded to hang on to their 1974-75 hunting licenses, rather than throw them away at the end of the hunting season.

Youths under the age of 16 must show proof they have either completed a hunter education course or have held hunting licenses in Pennsylvania or another state in a prior year before being eligible to purchase hunting licenses.

Some who have taken hunter education courses have lost their certification cards, and have difficulty proving their eligibility when they go to purchase new hunting licenses.

If a youth has a previous hunting license, this is sufficient proof that he or she is eligible for another license.

## Physical Condition Good in Deer Herd

Preliminary reports from deer checking stations operated by the Pennsylvania Game Commission during the first three days of the 1974 buck season indicate that the overall physical condition of the state's herd of whitetails is pretty good.

Game biologists report that deer weights and antler development this year are about on a par with those of 1973, which showed some improvements over immediately preceding years.

Prior to last year, there had been progressively more spike bucks checked annually, but the trend apparently was slowed in 1973. There seemed to be little difference in the percentage of spikes checked this year compared to last season.

As in the past, the biggest deer checked came from counties where natural foods are plentiful, while the smaller bodies and antlers were taken in overbrowsed range in the Northcentral part of the state.

formances from last year's District II champions Doug Agnew, 119, and Skip Bonham, 126.

Coach Sorber also has a second assistant coach this year, Bob Rogers, former assistant coach at Wyoming Area.

This year's returning lettermen are Steve Klemunes 112; Dwight Barbacci, 119; Jim Higgins, 112; Doug Agnew, 126; Skip Bonham, 138; Hugh Jones, 132; Rick Angelicola, 145; Wes Traver, 145; Gary Naugle, 145;

and Mark Dragon, 185. He also has a good prospect in Dale Wyffels, 105, who has transferred here from the Philadelphia area.

With approximately 33 candidates trying out, Coach Sorber has likely prospects in sophomores Jody Brown, Lew Thomas, 95 lb; Jerry Naugle, 105; Jack Zaleskas, 119; Sid May, 138; and Paul Cilvik, 155. Upperclassmen showing results are George Nemetz, Barry Harshbarger, and Eric Weber.
