Horlacher league playoff to resolve three way lead

Regular league play in the Robert Horlacher Memorial League was at a standstill as this edition went to press following a three-way tie for first place at the end of first half of play last week.

As a result, activity in the league was centered on league officials' desire to decide the first half winner

before starting second half play and playoffs held the spotlight early this week.

Beaumont under the management of Bob Makarty, Noxen, tutored by Jim Barbacci, and Dick Hislop's Orange-Centerville and Yankees finished first half play with identical 6-2 records for the top spot. At Friday night's meeting of league managers, it was decided to suspend the start of second half play and stage a playoff between the three teams to decide the first half winner. Beaumont drew the bye and was scheduled to meet the winner of the O-C Yankees-Noxen game, which was scheduled for Saturday but rained out after three innings of play, and rescheduled for Monday evening.

In last week's contests O-C Yankees defeated Beaumont, 20 to 11, for the second time in first half play and caused the three way tie for top place. Yankees ran up a total of 14 hits with Barry Baseski getting four for four including a homer and two doubles and batting in six runs; Paul Brace had three for five including two doubles and five RBI's. Mike Kravitsky had two hits in four trips.

Yankees' Paul Button suffered a serious injury in fielding a grounder and may be lost to the team for the second half. In the other game involving the Yankees last week, Yankees trounced Harveys Lake, 31 to 8, with a 17 run scoring spree in the fifth inning with the game called after the fifth because of darkness.

Noxen scored its sixth win of the first half last week defeating the O-C Phillies. The O-C Phillies registered their second win of the season in defeating the Harveys Lake nine.

Final standings of the first half:

| Noxen | 62.750 |
