It pays to advertise

Your Son or Daughter Is Your Family's Ticket to America

Your son or daughter in high school can be your ticket to America. The American Field Service (AFS) has a way for your family to really learn about the United States. Your child lives with a family in a different section of the country. A high school student from another part of the nation is placed in your home, or in a home that you help select in your community.

AFS. For 28 years, we've been sending high school students to 60 countries abroad and hosting young people from around the world here in the U.S. Now, we're helping Americans share America as well.
