### Hanukah

When Hanukah comes the  
'candles are lit,  
When we open our present  
the wrapping is split.  
The candles are glowing all  
through the night.  
Something is waking me I  
guess it's the light.

### God's son

God's son was born,  
On Christmas day,  
And laid in a manger,  
When people,  
Heard the real good news,  
They told every single  
stranger.

Little snowflake white,

What a lovely sight.

Bright and warm, gives

### Christmas star

I once saw a Christmas  
star  
High in the sky  
Every time the bells rang  
The star looked like it could  
fly  
The Christmas star is big  
and yellow  
Just like a star should be  
But it will always be the  
Christmas star.  
So every one can see.
