

PLANT BOOTH—Mrs. Clarke Bittner and Mrs. Lee Eckert display a few of the many beautiful plants to be sold at the plant booth of the 1976 Library Auction.

Plant booth planned

Plants will play an important role at the 30th annual Back Mountain Memorial Library Auction, July 9 through July 11. Mrs. Lee Eckert, chairman, has selected asparagus ferns, artillery ferns, Swedish ivy, spider plants and a wide variety of hanging baskets to be on display. There will also be perennials, marigolds, geraniums and flats of garden flowers. Solicitation of plants from area residents for the booth is presently underway. House plants, African violets, or any type of greenery to enhance the plant booth is requested. Arrangements for pick-up can be made by calling the library. Area professional greenhouses will again contribute many of the plants being featured. Lovers of exotic herbs, colorful flowers, and healthy house plants will find them at the plant and produce booth at the 1976 Auction American for the benefit of the Back Mountain Library.
