

FIREMEN'S COMPETITION—The Back Mountain Firemen's Association is sponsoring the Sunday afternoon "Firemen's Olympics" at the Luzerne County Fair at Lehman Horse Show Grounds beginning at noon. The bucket brigade is one of three events in the fire fighting competition. An "Almost Anything Goes" session is the second portion of the afternoon program.

LITTLE SANDY

"Here she is Pastor Beake, I found her for you!"

This heating season could be your most expensive one yet.

The Rescue Team

What you see here could be the answer to your rising heating costs. A Carrier heat pump tied into your existing heating system by our home comfort experts.

In many cases, the addition of a heat pump to a house has cut the heating cost in half. How much it could save you depends on what you're now paying for electric heat, oil, or gas. As a plus, the heat pump also functions beautifully as an air conditioner to keep you cool in summer.

We'll be glad to come and figure out your savings opportunity — at no cost or obligation to you. Now is the time to act, before winter hits. Call . . .
