

HOCKEY SISTERS—Wyoming Seminary's girl's field hockey team proves sisters can play together. Coached by Karen Klassner, the six sets of sisters and other members of the squad opened the season on Tuesday against Coughlin. The sister acts are kneeling, from left: Tish Mack, freshman, Kingston; Hillary Maslow, freshman, Shavertown; Fran Lumia, sophomore, Bear Creek; Joan Morris, junior, West Pittston; Tammy Pearsall, freshman, Dallas; and Gail Griffith, freshman, Kingston. Standing, from left: Alicia Mack, junior; Jennifer Maslow, junior; Barbara Lumia, senior; Susan Morris, senior; Amy Pearsall, junior; and Dana Griffith, junior.

Sisters play Sem field hockey

Who said sisters can't play together? Six sets of sisters are playing together on Wyoming Seminary's field hockey team this season.

The girls, Tish and Alicia Mack, Kingston, Susan and Joan Morris, West Pittston, Hillary and Jennifer Maslow, Shavertown, Fran and Barbara Lumia, Bear Creek, Tammy and Amy Pearsall, Dallas, and Gail and Dana Griffith, Kingston, along with approximately 38 other players comprise the varsity and junior varsity squads.

Tri-captains are Susan Morris, West Pittston; Midge Robinson, Dallas; and Jean McCarthy, Dallas.

Sem's hockey team has been coached by Karen Klassner, her fifth season as mentor.

Sem's squad who captured the Northeastern Pennsylvania Field Hockey League championship last year,

had an overall record of 10-3, and league record of 10-1. The team will participate in the Wyoming Valley Field Hockey League (formally the Northeastern Pennsylvania league) this year, and opened its 1976 campaign against Coughlin on Tuesday.

The remainder of the schedule is as follows: Nanticoke, Oct. 1, home; G.A.R., Oct. 5, away; Dallas, Oct. 7, home; Wyoming Area, Oct. 12, away; Crestwood, Oct. 14,

CIA elects R.A. Steel

At the recent annual congress of the American Correctional Association at Denver, Colo., the Correctional Industries Association elected Robert A. Steel of Dallas, as treasurer for 1976-77.

Steel is in charge of industries at the State Correctional Institution at Dallas.

The past two weeks found the following wins in the Imperialette League. Dallas Dairy picked up three points from Atlas Frozen Foods but the week before dropped all to Ralph Fitch & Sons.

Goodman Florist took three points from Pesacreta's after losing four to Lombardo Bakery. Fairview Shoe Store earned three from Ralph Fitch & Sons after shutting out Atlas Frozen Foods the previous Friday. Carmen's Pizza took three from Pesacreta's, then came on to blank Lombardo Barkery.

High scorers in both weeks' matches were P. Gordon 176-174, (496), R. Radzinski 178 (478), Jean Agnew 184 (471), B. Roan 192 (485), M. Ritts 177-190 (525), P. Bicking 170 and M. Morris 186. The week previously J. Agnew hit 196 (485), J. Bolinski 185, and M. Fondo 172.

RICHARDS

by Lee L. Richards

Lake-Lehman went down to its first defeat of the season to a good Meyers team Saturday night, 20-13, while Dallas bowed to Pittston Area in the afternoon, 34-12.

After two straight wins, Coach Rich Gorgone's Knights tasted defeat. They gave the Mohawks all they could handle and led at the half, 7-6. Meyers is still unbeaten and appears headed for a showdown with Pittston Area for the title.

Jim Spencer scored the first TD after a good drive. Bob Weidner kicked the PAT and was injured which had an affect on the Knights' defense in the late going. Mark DeCesaris flipped to Ed Oncay for the other tally.

Coach Gorgone said, "We had our chance to win. The kids played very well. We thought it was a good, hard football game. We knew Meyers was a big play team. They made some big plays and won."

Lake-Lehman's line did a consistent job in blocking the Mohawks on running plays for Jack Swire, Jack

Zaleskas and Jim Spencer to plow through.

Gorgone had special praise for Dana Sutliff, Don Jones, Dave Mahle, Bill Lavelle and Bob Cumens. They exploded off the ball and helped Knights gain around 285 total yards.

Knights have an open week in which they can regroup and prepare for another rugged encounter with Nanticoke Area.

Meanwhile, Coach Jack Jones hasn't lost three games in-a-row since around his first year at the helm. Things aren't looking too good. Dallas obviously lacks the experience to cope with the clubs which have whopped them to date.

Jones says, "We're working on the areas where we must improve if we're to win, but when in game condition our people just haven't executed. We hope to show some improvement."

CLIPBOARD NOTES: What happened to Penn State against Iowa??? Lion fans had visions of winning the National Championship a few weeks ago by beating Ohio State and Pitt in

'First defeat'

final...Right now college football is unpredictable.

Only five teams from a consensus of seven pre-season polls are undefeated. Ohio State got bumped by Missouri. We kinda felt they would have problems with Tigers and this week with UCLA. We still believe they'll whip Michigan in final...By drawing straws here's our Top 10: 1-Oklahoma, 2-Michigan, 3-UCLA, 4-Bebraska, 5-Pitt, 6-Maryland, 7-Missouri, 8-Kansas, 9-LSU, 10-Boston College.

Missed the opportunity last Friday to visit with Indiana's roundball genius, Bob Knight. Bob flew into Syracuse and was met at airport by Jack Gallagher.

The two then picked to make a couple of visits enroute to Cherry Hill, N.J. where Coach Knight was slated to lecture at hoop clinic. Knight flew from Philly to Toronto next morning where he spoke again. He always has been one of the most popular coaches for clinics...Well the Phillies finally won the National League East. They deserved it. Pittsburgh didn't play con-

sistently enough during the early part of the season. Pirates did make a strong bid late, but it would have been a shame if they had won...Reds and Phillies will be a wild playoff. Right now we can't pick a winner...Our weekend was a bit sad when we learned on Friday of the passing of former Army defensive coordinator, Dick Lyon. Dick was very popular in Wyoming Valley. He was the man who put Ithaca on the football map. He moved on to West Point under Coach Tom Cahill.

Dick stayed at our home on his trips to Pennsylvania. He left Army four years ago to accept a fine job at RPI where he was in charge of all the athletics. Dick was 51...Bob Saul has been very happy with his Rutgers gridders thus far this season. Bob had Rutgers assistant, Bill Speranza, out to Irem for a round of golf just before practice started. Scarlet Knights do have one of the best teams in their history...Lake-Lehman school board is still contemplating its wrestling situation and has not decided on the individual

who will fill the position...Witnessed a fine football game between Army and North Carolina last Saturday. While we weren't at all impressed with Army in its initial two starts, QB Leamon Hall did impress with his throwing versus Tar Heels when he set new marks in completing 28 of 55 for 385 yards. Clennie Brundidge, the slick tightend, hauled in 8 for 112 yards and one score. Hall fired four TD passes. In three games Hall has hit on 63 of 118 for 824 yards and 7 scores. Army had two shots to beat Tar Heel. Couldn't believe only little over 24,000 showed up...Meyers Coach Mike Gorham had praise for the Lake-Lehman football team when he chatted with him. Said Gorham, "Coach Gorgone obviously had things organized and headed in the right direction. They have a solid defense." Bob Cumens limping around on bum ankle. He's so tough he'd play today if he had to. Steelers could be in trouble as they have some tough games ahead. They've got Bengals and Oilers twice and dates with Vikings and Dolphins...Colts are a good football team and Bert Jones, who played for Coach Cholly Mac at LSU, is super. AFC sure does have the quality QBs...Cowboys won one of their must games...Could you believe Patriot fans want to hook Coach Chuck Fairbanks already. What idiots!

Firefighters plan

Daniel C. Roberts and Kunkle Fire Departments will hold a fire school Saturday near Beaumont. The fire men will be running a smoke class and then fight fires in various rooms of a house to be destroyed on the owner's request.
