Two former Dallas runners place first

Two Dallas graduates made sports news this week by placing first in their respective conferences.

Joe Majewski, class of '75, leading runner on Luzerne County Community College cross country team, has been named number one in the Eastern Pennsylvania

Community College Athletic Conference, it was announced by Dacia Jones, cross country coach at LCCC.

Majewski led the field across the finish line of the Williamsport Community College 4.8 mile course in 26:06 to earn the title, while his team finished fourth in

the annual tournament.

It was almost a photo finish with Jim Robold of Montgomery Community College and Ron Rudy of Bucks Community College close at Majewski's heels. Majewski's only loss this season was to Rudy in dual meet competition.

The winning the tournament at Williamsport, Majewski set a new course record, his fifth this year. Other records were set at Penn State's Scranton and Schuylkill campuses, Montgomery Community College and LCCC's home course.

LCCC's Chris Scott was awarded an individual trophy for finishing 11th in the conference. This was Scott's first year at Community College.

Majewski is a son of Mr. and Mrs. Lawrence Majewski, Trucksville. While at Dallas Senior High School he ran cross country and track. He is currently enrolled as a sophomore at Community College. He played basketball with the Minuteman last year until

sidelined with an injury. Harry Vroomen, 1976 graduate of Dallas Senior High School, placed first in Penn State's Northeast Regional Commonwealth Campuses Conference, Oct. 23, at University Park.

Vroomen placed first out of 40 runners from nine campuses, setting a new record of 22:44 over the 4.25 mile course. The old record was 23:13.

Vroomen was a member of the high school team during his junior and senior years and wound up his senior year with a record of 7-2, leading his team to second place in Division AA of the Wyoming Valley Conference.

He is a student at Penn State's Wilkes-Barre Campus where his cross country record this year is 4-1-1, his only loss being to Majewski.

Vroomen is the son of Mr. and Mrs. Hubert Vroomen, Dallas. He plans to transfer to the university's main campus next year where he will continue his cross country running.
