Hockey

ginal hockey schools are developing junior high programs.

In what might have been the highest caliber hockey in the area, Lake-Lehman lost its final game and its bid for a third consecutive district II championship to league Champs Wyoming Seminary.

Both teams fought at an even pace in the first ten minutes of the game. However, midway in the half, the Blue Knights' penetrated Lake-Lehman's striking circle to put the first goal, by Ellen Adams, on the scoreboard.

After the bully, Tracy Garinger and Debbie Barto drove to Seminary's striking circle to come within inches of tying the score. When two goals were nullified, a penalty stroke was awarded to Lake-Lehman. But Amy Miller, Seminary's goalie, deflected the ball.

Seminary then took over, but Sue Dockeray, Holly Rave, Miralie Long, Mary

Sue Rish, Sally Galka, and Sherry Naugle held the score to 1-0.

In the second half, Wyoming Sem got a quick goal by Ellen Adams, her 12th for the season. Then Tish Mack came back to score again making the score 3-0, which seemed to clinch the game.

The Black Knights came back with 11 minutes remaining, when Debbie Jones dribbled up the alley and took the ball in for a goal. The lead was narrowed and the Knights were newly stimulated.

After the center bully the Knight's offensive unit once again took control, drove to the circle and Dawn Cummins scored her 12th goal of the season.

There were five minutes left and the Black Knights fought desperately to tie the score. When the clock ticked away the final minutes, Wyoming Seminary's eleven were the official hockey league champs by a win of 3-2 over Lake-Lehman.

The new members will serve a six month probation period after which time, upon recommendation of the directors, they will be voted upon for full membership.

Jerry Schutz, president

of the Luzerne County Federation of Sportsmen, noted that the Frances Slocum Park, and most other state parks, will be open to hunting, but that hunters should check at the Park Office prior to hunting.

The next turkey shoot will be held the third Sunday of November. It should also be noted that the third Sunday of December the shoot will include shoots for muzzleloaders. George Brenzovich will be chairman of the shoot in December if there are any questions.

It was noted that the tour of Gamelands 57 held Oct.

3rd was one of the largest, 43 cars and-or trucks, and a beautiful day for sight-seeing.

The "drawing for the rifles" will be held at the next regular meeting, Nov. 22. This is one week earlier than usual due to the first day of deer season being on the last Monday.

Anyone wishing to enter the buck contest must have the entry fee of \$1 in to Ret Nelson no later than Nov. 22. Prizes will be awarded for the most points, widest rack, and smallest rack, taken with a rifle (or shotgun with ball).

Following the meeting, refreshments were served.

Hockey moms plan sale

Mothers of the Lake Lehman girls hockey team will hold a bake sale Saturday, Nov. 13, at the football

game at Lehman High School.

All mothers are urged to bake. This is the last big project for the year.

L-L Dallas in 1-1 hockey tie

Coach Florence Finn's Lake-Lehman Jr. High hockey team battled Becky Shuster's Dallas to a 1-1 tie on Nov. 1.

Dallas controlled the ball in the first half, but the Knight's Sherri Sulton was able to score the lone goal of the period. After that, the Knights' defense tightened, despite several threats saved by Lake-Lehman goalie Annette Kowalsky.

In the second half, it was the Knight's turn to control the ball. On several occasions the Knight's threatened goalie Tammy Letteer, who made impressive saves, and the Dallas defense held. In the last minute of the game, Dallas drove the ball to Lake-Lehman territory where mp they were awarded a penalty corner.

Due to a quick rush by Knights Tony Pall and Pat Norris, the corner was not converted. A second corner was awarded and once again was initially thwarted, but Dallas' Carol Wasnik caught the clear and put the ball by

the goalie to tie the game as the clock ticked away the remaining seconds. Thursday ended an evenly matched tilt in which both teams, hampered by frigid winds, were neither beaten nor victorious.

What seemed like the third or fourth quarters of Monday's Lake-Lehman vs. Dallas game, a winner was still not established Thursday, November 4. The hard fought battle between the rivals ended in a 2-2 tie. In the first half, Lake-Lehman took the lead late on a goal by Amy Garinger. However, Dallas came back strong in the second half and tied the score. Then Amy Garinger once again scored for the Knights giving Lake-Lehman a 2-1 lead. Dallas was not to be outdone, for Debbie Reese scored for the mountaineers tying the score 2-2. In the past three games between the Knights and Mountaineers, the score has been tied exemplifying the competitive spirit between the two teams. Coaches Shuster and

Phillip's Mountaineers now boast a 6-2-3 record for the season while coach Finn's Knights attained a 3-1-3 record. These records predict an interesting future for both Back Mountain Teams.
