L.S. Auxiliary donates monitor to unit

The Ladies Auxiliary of the Lake Silkworth Volunteer Ambulance Association presented Captain Ray Hillman with a cardio-miniscope heart monitor at the association's Jan. 20 meeting.

The presentation culminated two years of hard work done by the ladies auxiliary including many fundraising drives, Easter egg hunts, bake sales, teen dances, bingo, fishermen's breakfasts, booths at annual firemen's bazaars and door-to-door solicitations.

The ambulance unit expressed its appreciation to the auxiliary for the time and effort put into the project. It credited the

auxiliary's dedication and hard work with the association's ability to upgrade the ambulance service. They urged all residents to remember the volunteers when they come to their door seeking

support for the association. The association also expressed its thanks to the general public for supporting the fundraising projects.

The association's slogan is "Help us help you!"
