**RICHARDS The right prescription**

by Lee L. Richards  
Spring in the Back Mountain usually brings bumper-to-bumper traffic to the Lake, golfing, fishing, watering the lawn and the Division II baseball title to Dallas High School. It hasn't been that way all the time, but it has in recent years. The man behind the surge in Dallas baseball is Gerald Stinson, who every once in a while decides to take a brief retirement, until it's time to fill out the baseball requisition and he gets the urge to talk it up on the base paths. The only pressure on Stinson to win is applied by Gerald Stinson, director of athletics. Yep, they're the same person. Meanwhile, Coach Stinson is back and we never doubted it would be any other way, even while he sat on our porch two years ago and said he was tired and would hang up his spikes. Now he's got some new people and evidently they like the idea of winning championships and awards. Stinson apparently has the right prescription. This year's Big D team has the usual nucleus of Stinson teams of past seasons. Two solid pitchers in Steve Skammer and Dave Thomas, quick and aggressive fielders in Dave Lipo, Ken Charney, Steve Jones and John Konopki. A sure fielding outfield led by Mark Casady, who is being groomed as the pitcher for the next two seasons. Coach Stinson says, "We're going to be young and could surprise a lot of people. I don't believe we should be favored. GAR, Hanover, Lake-Lehman and Crestwood will all be battling for the title. One thing is certain, we've got the potential to get better as the season goes along." We've heard that line "we could surprise" before. It has spelled title the last couple of years.

SKI AWARD—Lindley Werkheiser, student at Dallas Senior High School, received the Junior Ski Patrolman of the Year Award from Dayton Frantz, leader of the Shawnee Ski Patrol.

CLIPBOARD NOTES: In last week's Trojan Baseball Classic, Steve Skammer bagged two wins and fanned 20 batters in process. Dave Thomas batted a mere .600 going six-for-10 with a couple of extra base hits thrown in. When they handed out the MVP neither picked up the hardware because they were on the runner-up team. MVP went to a guy who committed a couple of errors and had two hits??? Steve Jones, Thomas and Skammer were selected to the Trojan Classic All-Star team. We've got to hand it to Coach John Kashatus for organizing the tourney. It's good for schoolboy baseball in the area and helps prepare the teams for the season. Thomas and Skammer are co-captains for Mountaineers. Kided via phone with Jack Davis and Carl Kern at Clarion recently. Kern is hoping to land an assistant coaching job at Williamsport High. The former Buckeye gridded got a kick out of us receiving an autographed Ohio State hat from Coach Woody Hayes. Only problem is the hat must be Coach Hayes' size as it's much too big for us.

**Playoff likely in darts**

Final week of play in the House Dart League at Orange Golf Course will take place Monday evening and indications are that a playoff for season's honors will be needed. Going into the final week of play, Lou Kwasny's dartsmen held top place in the loop with a mark of 26 wins against 14 losses, a five point lead over the first half titlists, Harry Romig's shooters, who had a record of 21-19 for the season up to Monday night's games. Ted Dymond's Dartsmen were in third place with a 19-21 record, and Ted
