Society begins local chapter

A group of area residents and personnel from College Misericordia have combined forces to initiate the first Audubon Society chapter in Northeastern Pennsylvania.

The concept of an official chapter of the national organization originated with College Misericordia's bird sanctuary founded last year. Since the sanctuary had proven to be so successful, it was deemed appropriate that an Audubon chapter be established.

Chapter planners are quick to point out, however, that the Audubon Society is not limited to bird watchers. The society works in all areas of conservation and environmental protection, including supporting a comprehensive national energy policy, protecting the public interest in public lands, and promoting the conservation of wildlife and the natural environment.

The local chapter is actively seeking members

and needs 35 new memberships in order to become established officially. Memberships are available by contacting the Public Relations office at College Misericordia.

Once organized, the chapter will meet at the college and will be involved in many activities throughout the year, including field trips. Members will also receive the national organization's magazine which is issued six times a year.

Once the chapter is established, area members of the national organization will be invited to join the local chapter.

Ham 'n Yegg Club receives first checks

The Ham 'n Yegg Club, under the direction of Mrs. W.G. Moss, has already received two checks in the amount of \$10 each. One from Mrs. T.M.B. Hicks, who now resides in Virginia and a devotee of the Back Mountain Library Auction, and the second from Mary Jane Moss, daughter of Mrs. Gertrude Moss and the late Bill Moss, who, with Mrs. Hicks, came up with the idea of the Ham 'n Yegg Club.

At the start, hams were to be purchased by various professional people of the Back Mountain area and donated to the auction to be sold over the block. The problem of keeping these hams frozen and cared for prior to the auction became apparent, so a donation was suggested to be used by the auction committee at their discretion.

A letter will soon be in the mail to all former Ham 'n Yegg members, and also to many newcomers in the area, again inviting them to join the club. Names of all donors will be published as the checks are received.
