Ham 'n Yeggs Club issues 1977 report

These names represent the balance of the folks who joined the 1977 Ham 'n Yegg Club to date. I was happy to see so many come to the aid of their Back Mountain Memorial Library thru the Ham 'n Yegg Club.

Together we raised \$1877, not as much as we had hoped for, but perhaps there are more checks ready to be mailed and we hope they will not be delayed. Thank you all once again.

Coalition works to serve children, families

(Editor's Note: This is the first in a series of articles which describes the Back Mountain Coalition, a group of community service providers, and the services available to the residents of the Back Mountain area.)

The Back Mountain Coalition, a group of community service providers has met since February in order to identify the needs of children and families in the Back Mountain area. The Coalition was organized by the Primary Prevention Program of the Luzerne-Wyoming county Mental Health-Mental Retardation Center. Eleven churches and agencies are represented.

The purpose of the Coalition is to identify concerns in the network of community services to children and families, and if necessary, stimulate the development

of additional resources.

Since February, the Coalition has identified a lack of information available to Back Mountain residents about the services available to them. In order to amend this situation various agencies that serve the Back Mountain Area will write a newspaper article about the services they provide for this series of articles.

The Coalition identified a second issue of concern as the necessity for the development of a mutual support system for youth workers. For this second issue, the Coalition has decided to identify and contact the various organizations, churches or municipalities which sponsor and conduct children and youth programs and to see what they define as needed supports for their youth workers. The Coalition hopes to collaborate with

Back Mountain organizations in developing additional needed supports for youth workers.

The Coalition is divided into two subcommittees. The first subcommittee is concerned with increasing the awareness of and accessibility to community services.

Members include the Rev. Robert Harris, Lehman United Methodist Church; Mrs. Mary Ward, Dallas School District; Mrs. Marsha Landis, Dallas Junior Women's Club; Mrs. Theodora Berlatsky, Family Service Association; Mrs. Mariella Mosca; Robert Santos and James Calderone, Primary Prevention Program.

Members of the subcommittee on the development of a mutual support system for youth workers are: the Rev. Lynn Rothrock, St. Paul's Lutheran Church; Mack Ahmad, The

Bridge; Bob Vincenti, West Side Regional Center of the MH-MR Center; Mrs. Mary Dixon and Jeff Blau, Primary Prevention Program.

Other Coalition members are: Thomas Chery, The Bridge; the Rev. Lee Brehm, Trucksville United Methodist Church; Father Stephen McGough, Gate of Heaven Church; and the Rev. Douglas Akers, Dallas United Methodist Church.

The Coalition has met bi-monthly from February until June at the Mark II Restaurant. The Back Mountain Coalition is interested in collaborating with other Back Mountain organizations. If additional information is desired about the Coalition, contact Bob Santos of the Primary Prevention Program at 822-5115.
