School tells subsidies guidelines

Dallas and Lake-Lehman School Districts has announced a change in the 1977-78 free and reduced

price meal and free milk policy for children unable to pay the full price. Local school officials have

adopted the following family size and income criteria for determining eligibility

Family Size		Reduced Price Meals
One	0 to 3,930	3,931 to \$ 6,120
Two	0 to 5,160	5,161 to 8,050
Three	0 to 6,390	6,391 to 9,970
Four	0 to 7,610	7,611 to 11,880
Five	0 to 8,740	8,741 to 13,630
Six	0 to 9,860	9,861 to 15,380
Seven	0 to 10,890	10,891 to 16,980
Eight	0 to 11,910	11,911 to 18,580
Nine	0 to 12,840	12,841 to 20,030
Ten	0 to 13,760	13,761 to 21,470
Eleven	0 to 14,680	14,681 to 22,890
Twelve	0 to 15,590	15,591 to 24,310
Each Additional Family Member	910	\$ 1,420

Children of parents and guardians who are unemployed, or become unemployed are eligible for free and reduced price meals or for free milk during the period of unemployment, provided that the period of unemployment causes your family income to fall within the eligibility criteria.

Families falling within these scales, or those suffering from unusual circumstances or hardships are urged to apply for free or reduced price lunches and-or free milk for their children. Unusual circumstances and hardships include unusually high medical expenses, shelter costs in excess of 30 percent of reported income, special education expenses due to the mental or physical condition of a child or disaster or casualty losses.

In certain cases foster

children are also eligible for these benefits. If families have such children and wish to apply for such meals and milk, they should contact the school. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school.

Applications may be submitted any time during the school year. The easy-to-complete form requests information that school officials need to determine economic need based on the income and number of persons in the family and any unusual circumstances or hardships which affect a family's ability to pay for school meals and-or milk. The information provided on the application will be held confidential and will be used only for the determining of eligibility. Under the provisions of

the policy, representatives of the district will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the local official, he or she may request, orally or in writing, Dr. Richard A. Shipe, Acting Superintendent Dallas School District, Dallas, Pa. 18612 (675-5201) for a hearing to appeal the decision. Hearing procedures are outlined in the policy.

The policy also provides that there will be no identification or discrimination against any child because of his-her race, color, religion, sex, color, national origin or inability to pay the full price of the meal and-or milk.

A complete copy of the policy may be reviewed by any interested party in the office of the Superintendent.
