John Szela

New to the Dallas High School varsity basketball staff this year is John Szela, recently appointed assistant basketball coach. Szela is new to his position but he is well known to the other coaches and adult volunteers who worked with the program last year. A basketball enthusiast Szela volunteered his assistance during last season and in the past summer's basketball clinic.

A resident of Trucksville, he is the son of Marjorie Szela and the late John Szela. Raised in the Back Mountain he graduated from Dallas Senior High School in 1969. He attended East Stroudsburg State College where in 1973 he received his B.S. degree in health and physical education. He had a minor in driver education.

Szela has been a member of the faculty at Bishop Hoban for the past four years where he teaches physical education.

While in high school he played varsity basketball and in his senior year was selected for the All-Star team of Wyoming Valley. Basketball was his favorite sport and he has played it in school-sponsored programs since 10 years of age.

In 1975-76 he became active in the Dallas Junior Basketball program and assisted Tim Bauman, president of the Association, in developing the program. The program was strictly volunteer with the fathers turning out to assist during the season from November to late January or early February. For the past two years he was a volunteer assistant with varsity coach, Joseph O'Donnell.

Szela also assisted with the Back Mountain Summer Basketball Clinic last year. This year, following the resignation of Dave Jones, assistant varsity coach, Szela was appointed to fill the position. He officially began his duties as Nov. 1 although he has been working individually with the boys for the past two or three months.

Szela will be in charge of the J.V.'s and also work individually with the boys on offense and on team offense.

He enjoys golf and this past season was a member of the Orange Golf Course. Szela likes to travel and has visited Mexico, Canada and Texas. He lived in Florida for six months and worked for one summer in Detroit, Mich. where his brother is with the Ford Motor Company. Szela also visited Hawaii two years ago when he chaperoned a Bishop Hoban sponsored trip.

While in senior high school, he also played football, was a member of the track team and played

baseball. He likes all sports and enjoys them as a spectator.

He is interested in horticulture and enjoys raising various plants.

Szela is a member of the Basketball Association and of the American Alliance of Health, Physical Education and Recreation. While in college, he was a member of Phi Sigma Kappa fraternity.

He enjoys working with

the kids and would rather do that than watch athletic contests or take part in other activities.

Szela said he believes the boys have a lot of promise and that they are working very hard.

He speaks proudly of his family—his mother, an R.N. doing private duty; his three sisters, Eva Sue who is in the design department of Hallmark Greeting Cards, Kansas City; Judy,

graduate student in gerontology at Penn State's Main Campus; Becky, with a marketing research company at Fort Lee, N.J.; and his brother, Tom, in management at Ford Motor Company.

Szela is presently taking graduate courses in physical education at Penn State's Wilkes-Barre Campus and will eventually attend classes at the Main Campus.

Coach O'Donnell said he is happy to have Szela working with him. He said that Szela has been working with the boys since September. "His

enthusiasm knowledge and patience is an added benefit to our program for this coming season," said O'Donnell.

Schierer to coach at King's

Wilma Schierer of Lehman, has been appointed Women's Varsity Basketball coach at King's College in Wilkes-Barre. The announcement was made by Ed Donohue, director of athletics.

A native of Bradford, Pa., she was graduated from East Stroudsburg State College with the BS degree in Health and Physical Education. Her graduate work was at the University of Colorado and at Shippensburg State College.

She teaches health and physical education at Lake-Lehman School, and coached the girls' basketball team there from 1969 to 1976.

She taught and coached at Bermudian Springs, near Gettysburg, for seven years. Last year, she coached the Wilkes women's cagers.

Miss Schierer is an official in field hockey and basketball. She has participated in area tennis tournaments and coached the sport at Bermudian Springs.

Coach Donohue stated, "I am very pleased that Wilma Schierer has joined our athletic department as coach of our women's basketball team. She is well qualified for the position and brings a fine background to help with our growing sports program for the women."

MISS FOR MEGAN-It was 'Miss for Megan' night in the Imperialette League last Friday at Crown Imperial Lanes. The bowlers paid for each miss and doubled it on strikes to put money in the container for Megan Margellina, two-year old cancer victim. Riding Ho reports successful trail ride

The Riding Ho 4-H Club second annual trail ride was a huge success once again. A total of 22 riders rode for the four hours through the beautiful Lake Silkworth and Sweet Valley area. Special thanks to Mrs. Honeywell for the refreshments, Mrs. Hiller for allowing the club to meet at the Hellers after the ride, and to all the mothers who baked food and gave of their time to help the club with another activity.

Other activities include the trip to Harrisburg, Nov. 10 and 11. The club will leave at 6:15 a.m., Thursday, Nov. 10 from the Dallas Shopping Center and return at approximately 1 a.m. Saturday.

A telephone chain will be set up so parents will know when to pick up their children. All members and nonmembers planning to join the club on the trip should attend the Nov. 7 business meeting.
