REPUBLICANS - DEMOCRATS INDEPENDENTS OF DALLAS TOWNSHIP

Dear Voter:
For the first time in over 30 years, Dallas Township has an opportunity to establish a two-party system. Just imagine, after 30 years of the monopoly of a single party dominating our township with irregularities in zoning, and secret meetings that prove disregarding for voter preference. We could go on and on but there's no need for that. What we do need is a change for the better, a balance of power, in other words, an honest two-party system. How do we get this? We vote—we all vote—we all vote for **Jack Dodson** and **Nelson Wilson**. Why? Because they bring you experience in community service and the backing of hundreds of voters in Dallas Township who are already committed. Won't you join us and vote for **Jack Dodson** and **Nelson Wilson** on Election Day, Nov. 8, 1977.

Thank you, The Committee for Better Government in Dallas Township
