Harveys Lake Women induct 14

Fourteen new members were presented to the Harveys Lake Womens Service Club at the November dinner meeting held Nov. 3 at the Flagstone House, Harveys Lake.

The meeting was called to order by President Mrs. Bradley Ide and turned over to Mrs. Walbridge Leinthal who conducted the installation ceremony. Assisting Mrs. Leinthal were Mrs. Margaret Weiss, membership chairman, and Mrs. S. Richard Strazdus, home life chairman. Each new member was presented by a resume read by Mrs. Leinthal and installed in a candlelight ceremony.

Mrs. John Davis, president of The Luzerne County Womens Clubs welcomed the new members and wished them luck in future club activities.

Committee reports followed the ceremony. Finance Chairman, Mrs. J. Elliott Ide gave a report on the recent rummage and bake sale and thanked Mrs.

William Davis and Mrs. Nicholas DiVeronica for doing such a good job.

Mrs. Ide then introduced Mrs. Clarence Hogan as chairman of the upcoming hoagie sale to be held on Nov. 28. Mrs. Hogan asked that all orders for hoagies be in by Nov. 21. Orders may be placed with any club member.

Following the remaining committee reports, the club was entertained by "Harmony", a group of girls from King's College Folk Group.

Although all are members of the Glee Club, these young women are a separate group who practice and perform on their own time and do their own arrangements of popular songs. Sopranos: Mary Beth Vacante, Donna Pierce and Karen Zorzi. Second Sopranos: Karin Edwards, and Barbara Bartkovitz. Altos: Janice Ritz, Donna Butchko, Kathy Vacante, and Paula Miscavage.

Mrs. Leo Mullen, club member, made the

arrangements for the group and they were presented by Mrs. Howard Piatt, first vice president. Arrangements for the evening and table decorations were made by

Book Week observed by Library

Children's Book Week is being observed at the Back Mountain Memorial Library Children's Annex this week.

Posters and a mobile "Moonlings" talking about free people and free libraries as they observe Earth from afar decorate the library. Bookmarks illustrating the motif are available for the children.

To celebrate the week, the students at the Dallas Elementary School are designing small replicas of their favorite books to decorate a tree for the holidays.

There will also be a special display of early children's books on loan from a friend of the library.
