principal, Greater Nanticoke Area High School at an all-student assembly this week. This is the third consecutive year the Wyoming Seminary girls hockey team won the league title. Dallas conceded height and 79-53 win

The 79-53 score of the Wyoming Area-Dallas basketball game won by the Warriors at the Dallas gym last Friday night is not a true indicator of the strong playing done by the young Mountaineer team. Despite the fact the Dallas quintet were surpassed in height and experience by the Warriors,

the Mounts played a hard fast game and Lou Woychick dumped in 20 points. Bruce Kunkle put in 13 and Frank Manusky came in third with 10 points. The Mountaineers took an early lead in the first quarter playing a fast-paced game and were in front 17-16 at the end of the

quarter. They were unable to compete with the tall, physical members of their opponents who closed in to outscore the Mountaineers and take a 36-25 lead at the half. The Mountaineers made a strong comeback in the third quarter but the Warriors used their rebounding strength to

quell Dallas in the final period scoring 30 points to the young Mountaineers 17. Dallas had a total of 19 baskets from the floor and 15 from the foul line. The Warriors put in 31 from the floor and made 17 free throws. High scorer for the Warriors was Carl Sakocius with 13 points.
