Bad luck came to the Hoover family over the weekend when fire struck the Dewey Hoover garage

at the Outlet on Sunday. Fire apparently was due to an electrical problem. Hoover had been released from the hospital just the day before, where he was recovering from a heart attack.

On Monday morning, Mrs. Elmer Hoover awoke to find the roof of her garage collapsed from the heavy snow. Her car was inside, but hopefully there doesn't seem to be much damage. Time will tell once it gets dug out of the debris.

Best wishes for a speedy recovery to Dewey Hoover who was released from the hospital on Saturday after suffering a heart attack.
