Welsh cookies are featured

The "Welsh Cookies", Helen Dymond and her sister, Shirley Mahle, will be one of the specialty acts featured in the Dallas Mothers Club minstrel show, "White Tie and Tails". Their humorous song routines have been enjoyed by many groups in the Wyoming Valley, including the Kiwanis Festival of Music. They are also active in the area in religious music, appearing both together and separately.

In addition, the show features old-time favorites by the chorus, Broadway show tunes by outstanding solo performers, and comedy by Warren Rosengrant, "Mr. Interlocutor" and his humorous sidekicks, the end men. The extra added

attractions will be the unrehearsed surprises that are a combination of the Gong Show, Laugh-In, and Lassie Come Home. All this and more are performed by volunteers, such as the Welsh Cookies, who display the wealth of talent available in the Back Mountain.

The minstrel show "White Tie and Tails" will be presented Friday, April 28, and Saturday, April 29, 8 p.m. at the Dallas Jr. High Auditorium.

Tickets are on sale at any Franklin's Family Restaurant, Evans Drug Store, Besecker Realty, chorus members, or at the door. Group tickets are available.

For further information or tickets, call Mrs. George Isaacs or Mrs. Anthony Naperkoski.
