

**PUPPET SHOW**—Second grade students in Mrs. Edith Kromelbein's class at Westmoreland Elementary School are presently presenting their annual puppet show "Goldilocks and the Three Bears" for the other students and parents who come in. The children take turns telling the story in their own way and manipulate the puppets. Mrs. Kromelbein made the puppets, her husband constructed the stage and the children made the furnishings. She first used it in her Girl Scout troop but it has now become an annual project at the school. Left to right, Mark Buss, Gerilyn Williams, and Michelle Kreiner are waiting to watch the program.
