40 local delegates to JW convention

A schedule of 20 international conventions has been completed by Jehovah's Witnesses for the continental United States during the summer of 1978.

Spokesman Dan Wakelin said 40 persons will represent this area at Veterans Stadium in Philadelphia, June 28-July 2.

Wakelin said 33,000 delegates are anticipated for the convention from Eastern Pennsylvania, New Jersey and Delaware.

The Witnesses are utilizing some of the largest sports stadiums in the country for this series of international meetings. They include four covered facilities: Astrodome,

Houston, Texas; Superdome, New Orleans, Louisiana; Kingdome, Seattle, Washington, and the Silverdome in Pontiac, Michigan.

Wakelin added that 760,000 persons are expected to attend the 20 conventions in three languages: English, Spanish and French. Five conventions are planned for Canada with an attendance estimate of 145,000.

The theme of the conventions is "Victorious Faith".

"There are many issues confronting society today," Wakelin said. "These include changing moral standards, emphasis on materialism, social problems, energy crises and an accelerating arms race. The convention program will stress the value of faith in the Bible as Christians face these issues and other daily problems of life."
