## Tattersall sentenced for 6 to 18 months

Richard Tattersall, Harveys Lake, will begin serving a sentence of 6 to 18 months at the Luzerne County Prison Thursday morning.

Tattersall will serve the sentence on charges of resisting arrest and obstruction of administration of law following revocation of his probation because of having been convicted of another crime during the probationary period.

A jury convicted Tattersall in June of having received stolen property.

He reportedly purchased meat and other goods stolen from Konefal's Grove, Lehman Township, last August. He had been jailed briefly following his preliminary hearing on that charge but released.

His conviction on the stolen property charge is presently under appeal.

Sentencing took place Friday before Judge Arthur Dalessandro. Earlier in the day Tattersall had complained of feeling ill and had been removed to Nesbitt Hospital, Kingston. On the recommendation of Dr. Anthony Anzalone, he was permitted to return to the courtroom a few hours later.

He is to report to Luzerne County Prison to begin his sentence Thursday, July 6, at 9 a.m., being free in the meantime on \$5,000 bail to arrange his business and personal affairs.

The charges of resisting

arrest and obstruction of administration of law stem from an August, 1977, incident following which Tattersall was sentenced to

two consecutive probationary periods of 18 months each and ordered to pay \$100 per charge plus costs of prosecution.
