

Calling AMERICA back to GOD!!

What we're doing now isn't working...

IT CAN'T WORK!!

Let's Try GOD'S WAY!!

The Only Way That Has and Will Work!!!

THE PROBLEM! MAN PLAYING GOD!

In these days God's Laws are ignored in America and every man does that which is right in his own eyes. In other words every man is his own god.

THE ANSWER!!!

BY FRANK GAYDOSH

Americans cannot be saved or changed.

-- UNTIL --

- #1 We have honest money (silver and gold as the basis of our money system).
Cancer of the body is killing Americans physically.
Cancer of our money system is killing Americans economically and morally.
- #2 Until our social, political, and economic laws are based on the TEN COMMANDMENTS, (This means our local, state, national laws.) conditions in America will not get better.
Until and unless our efforts are directed in this direction to correct these evils in our own lives, we are nothing but the blind, leading the blind.

THE TEN COMMANDMENTS (The Decalogue)

- | | |
|--|---|
| 1st. Thou shalt have no other god before me.
This speaks of Love and Loyalty. | 6th. Thou shalt commit no murder.

| 3rd. Thou shalt not take the Name of the Lord Thy God in vain.
This speaks of Reverence. | 8th. Thou shalt not steal.
This speaks of Honesty, Individual and Governmental. |
| 4th. Thou shalt remember the Sabbath Day, to keep it holy and a day of rest.
Speaks of Holiness and resting in the Lord Jesus Christ. | 9th. Thou shalt not bear false witness.

Speaks of Respect. | 10th. Thou shalt not covet.
This speaks of Contentment. |

The ANSWER

for each one of us is not revolution, but regeneration, through - in - and - of - the Person of the Lord Jesus Christ!!

How do we show our love to ourselves, to our family, and to our neighbor?

BY BEING OBEDIENT TO THE LAW OF GOD!

How do we show our love to our enemy?

BY BEING OBEDIENT TO THE LAW OF GOD!

How can I be most honest, dependable -- responsible -- trustworthy -- loyal -- loving person?

BY BEING OBEDIENT TO THE LAW OF GOD!

PRAYER PLUS ACTION

Prayer plus obedience to God's Laws is the only thing that will save America or any other nation... Most Americans want a militarily strong America. So strong that no one would dare to attack her. I am most certainly in favor of a strong America.

--BUT--

Just being the strongest power on earth militarily will not save us from committing national suicide which I believe we are doing by our total depravity and immorality. Even as Amos, Isaiah, Jeremiah and other prophets reminded Israel of her sins, let me remind you of America's:

1. We have renounced our Creator God and found other gods - ourselves - government security - and education. There is little love of God and loyalty in our land.
2. We have become a nation of idolators. We worship power, money, status, etc., etc.! Gone are the hallmarks of faithfulness and fidelity from our land.
3. We have taken the name of our Lord and Saviour Jesus Christ in vain and today it is used mostly as a curse word. There is no reverence or fear of God and His Word. (His Laws.) American legislators are playing god and passing laws that are totally an completely contrary to God's Laws.
4. We are desecrating God's day of rest and worship and have made it the same as any other day in our pursuit of eat, drink, and be merry for tomorrow you die. Nothing and I mean nothing, is Holy or Sacred anymore.
5. America is a land of confusion, chaos and fear. There is no respect for law - order - private property - the government or the courts. Honor has fallen by the wayside in America. Children don't honor their father and mother or anyone else. The fathers and mothers don't honor their responsibility to take care of (support and educate) their families. There is no respect or fear of God and every one does what is right in his own sight. We have become a nation of humanists and satanists.

6. There is no respect of life in our land. Abortion and murder are running rampant throughout America. Hatred is nourished by our educational system and our clamor for our rights. Justice and respect for life is dying all around us.
7. Immorality, adultery, whoredoms, divorce abound on every hand. Purity - respect of and personal responsibility for family are the exception rather than the rule.
8. Honesty is a scarce item in our land today. We have become a nation of thieves, what we don't steal directly we have the government steal for us legally. The result of this thieving is loss of health, chaos, confusion, inflation and the downfall of our monetary system, and except for a change in our attitude and divine intervention will bring on another dark age.
9. Another casualty in our land is truth. We are a bunch of liars. There is no truth, we say everything is relative. Since we have as a nation rejected God and His Laws as truth, each man finds his own truth in his own reasoning. The result - chaos and confusion. Only by acknowledging God as God and His Law word as truth can we have order in this universe.
10. There is no contentment in our land. We covet what our neighbor has. We say we have an inherent right to all the goodies that our neighbor has whether we work and earn them or not. God's Word says "By the sweat of your brow (work) you shall eat bread." We say no, - that's old fashioned. By our government benefits we shall eat bread and cake and meat. Social security, unemployment checks, food stamps, etc., etc. The result - a nation of covetous, lying, cheating, jealous people.

HOW SHALL WE OVERCOME AND SAVE AMERICA. NOT BY MIGHT OR POWER SAYETH THE LORD BUT BY OBEDIENCE TO MY WORD (GOD'S LAW) CAN THE U.S. BE SAVED.

IS THERE HOPE? -- THERE CERTAINLY IS -- GOD IS WAITING FOR AMERICA TO HONOR AND ACKNOWLEDGE HIM AS LORD AND SAVIOUR.

BY BEING OBEDIENT TO HIS LAW -- THE VICTORY WILL BE SURE BECAUSE GOD GUARANTEES IT:

In a wicked world with which God had become very angry, He had a magnificent plan to save the huamn race from annihilation. He had no Presidential commission appointed, no computer run teaching program, no Head start system, but He gave a man three sons. We talk of Noah spending 100 years building an Ark, but he also spent 100 years building a family. Three sons with which to repopulate the earth. This was God's method of saving the world from oblivion.

Rick was a klutz

by Tom Mooney

Most people found it easy to accept the fact that Rick was a klutz.

Rick never did accept it or understand it.

Perhaps someday behavioral scientists will discover what makes one person trip over his own feet at a moment when he's trying to impress someone with his savior faire while virtually everybody else can pull off the trick.

In the meantime, individuals like Rick can only be labeled and sympathized with--when they're not causing problems for you.

It happened one evening when he had just noticed two attractive young women across the smoky bar. He decided to head for the men's room, which would bring him directly past them.

He failed to take into consideration the single step up to be taken. The rest was inexorable. No power on earth could have stopped him from flying headfirst, shouting in terror as the floor loomed up.

The simplest move, under some sort of pressure, led to disaster. It became predictable.

Hitching a ride home in the early hours of the morning, he got in a car already occupied by six men.

The next day, with wallet gone and thumb broken and with bruises all over his face, he realized he had made a misjudgement.

But nothing halted Rick in the long run. If there was a mistake to be made, he'd make it. If there was a bad situation somewhere, it cried out until he jumped into it.

All his attempts to gain status failed. Once in a bus depot a friend punched him out for a remark Rick thought was clever. No one, Rick included, could ever be made to repeat the remark.

Another time he challenged a wimpy character to a foot race only to discover that the wimp was accustomed to running three miles a day in Texas summer temperatures of 115 and more.

Dashing out of a taxi to catch a Greyhound, his pants split in two.

If he got into a car to drive someplace, he got a ticket. If he opened a can of soda, it soaked the ceiling and
