

IN THE SPOTLIGHT

Scott Keller

Scott Keller, In the Spotlight student at Dallas Senior High School this week, works on basketball the year-round. He also does a lot of jogging and swimming but primarily to keep in condition for his first love-basketball. That he is successful is evident in the outstanding playing Keller has been doing in the high school's varsity team.

A junior at Dallas High School, he is the son of Mr. and Mrs. James Keller, Bunker Hill, Kingston Township. He has an older brother, Jim, senior at Dallas; and a sister Corinne, who attends Wyoming Area School.

Scott became a student in the Dallas Schools when in fifth grade. Prior to that he was enrolled in Wyoming Valley West and transferred when the family moved within the Dallas School District.

He played basketball during his eighth and ninth grade in Dallas Junior High School. This year marks his second year as a member of the senior high

team. Scott is a member of the student council and the junior class steering committee. During his sophomore year, Scott played football but gave it up this year deciding to concentrate on participating in one sport and doing it well.

He is an honor roll student with a 3.83 average, and a candidate this year for the National Honor Society.

When not busy with school and basketball, Scott likes to work on cars. He bought one old car and rebuilt it for the satisfaction he achieved with the final result. This summer he plans to do auto body work.

Following graduation, he hopes to attend Penn State and major in engineering. Scott enjoys traveling and has been to Florida and to Quebec, Canada.

He believes Dallas High School has an excellent sports program and says this year, the athletic

Scott Keller

program is receiving more support from the fans. He also said that there is excellent rapport between the students and teachers.

He is concerned that a small percentage of the students are so destructive.

These students, Scott said, the school could well do without.

However, overall he believes the school is good and he has no complaints.

IN THE SPOTLIGHT

Larry Williams

In the Post Spotlight at Lake-Lehman is Larry Williams, senior in the college prep program.

The son of Mr. and Mrs. Dean LaRue Williams of RD 1, Hunlock Creek, Larry has a younger brother, a fifth grade student at Ross Elementary School.

A talented musician, Larry has been in the Lake-Lehman Prize-winning Band for six years, starting when he was in seventh grade. He plays the trombone and this year was soloist in the field show.

A member of the senior high varsity basketball team, Larry plays center most of the time.

He also is a member of the Keystone Drum Corps in South Williamsport. The Corps appears in parades throughout the Williamsport area.

Larry is on the high school honor roll and has an average of 3.9. He also is a member of the National Honor Society. Larry is the organizer of the Lake-Lehman High School Debate Club.

Recently he appeared on the high school panel for Channel 16's Scholarship Bowl. The Lake-Lehman team defeated the Bishop Hannon students on the Bowl program.

Larry also qualified for a National Merit Scholarship.

He is active in the ac-

tivities of the Bloomingdale United Methodist Church where he is secretary of the Sunday School; and also an active participant in the youth group at Bloomingdale Bible Protestant Church.

Larry works on a farm during the summer months. He likes to travel when he has the opportunity and with the band has been to Canada, Kentucky, Virginia and New York. He also has been to Florida where he lived when he was younger.

Larry started first grade in Florida but transferred when the family located permanently in the Back Mountain.

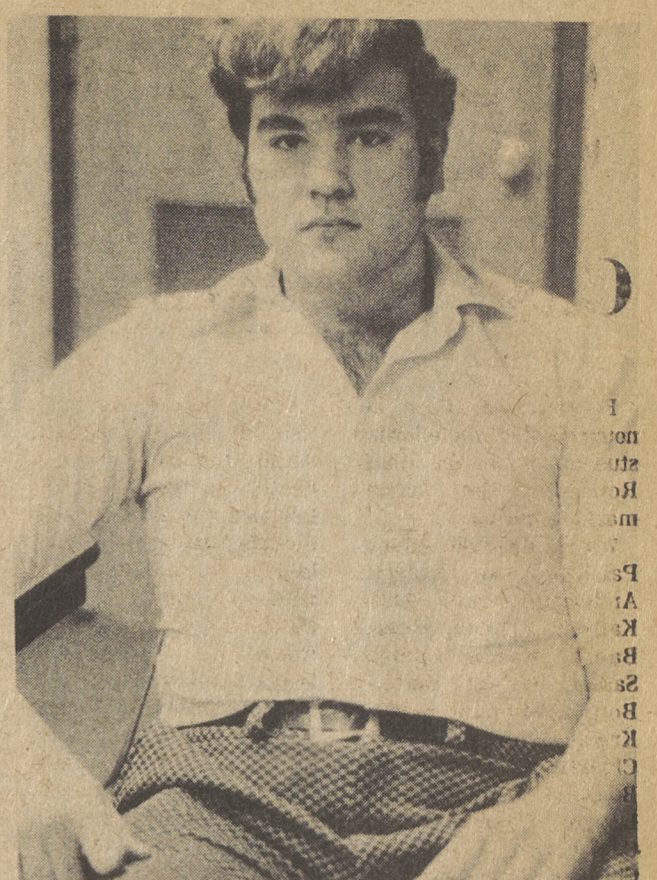

Following graduation from high school, Larry hopes to attend Messiah College where he plans to major in religious studies.

When a sophomore, he played in both the District and Regional band. He likes classical music.

Larry finds the teachers become very involved with the students at Lake-Lehman High School and says that they put forth great effort to assist the students.

"The teachers and students get along well and the students also get along very well with each other," said Larry.

He would like to see more practice area for extra-curricular activities and more effort put forth to help get this for them.

Dallas district lists makeup dates

Since Monday, Jan. 8, and Monday, Jan. 22, were two pupil days that schools were closed due to snow emergency for the 1978-79 school year, the Dallas School District would like to remind parents to refer to their school calendar which clarifies snow emergency days.

The 1978-79 school calendar states: Should schools be closed on scheduled pupil days due to snow or emergency conditions prior to Feb. 16, the

scheduled winter emergency recess will used as makeup days according to the listed snow-emergency days.

Snow-Emergency days are first school day, Feb. 21; second school day, Feb. 20; third school day, June 7; and fourth school day, June 8.

Therefore the pupil days of Jan. 8, and Jan. 22, will be made up on Feb. 21, and Feb. 20.

The school district would like to extend its appreciation to all parents and students for their cooperation throughout the winter

Dallas immunization survey to be taken

At the request of the Pennsylvania State Department of Health (PDH) the Health Services Department of the Dallas School District will be conducting an immunization survey of all students K - 12. The purpose of the survey is to determine the immunization needs of individual students. Survey forms will be sent home to parents and should be filled out and returned to the school nurse in each building.

After a student's immunization need has been determined by the school nurse, permission forms will be sent home to assist parents and the PDH in scheduling and administering required vaccinations for tetanus, diphtheria, polio, measles and rubella. This immunization program will be carried out Wednesday, March 21, under the joint supervision of John Farrell

of the PDH and the Dallas School nurses: Mrs. Beverly Longo, R.N., senior high school; Mrs. Rita Bren, R.N., junior high school; Mrs. Jane Tomas, R.N., Dallas Township, Westmoreland and Trucksville schools; and Mrs. Eleanor Fleming, R.N., Intermediate, Dallas Elementary and Gate of Heaven Schools.

In order to comply with state guidelines for immunization, all school children should have received three DPT doses followed by a TD booster after a period of 10 years, three doses of polio vaccine, one dose of rubella vaccine and one dose of measles vaccine given after the child is 12 months old, unless he has had a verified case of measles. The only indication attested to by a physician or those whose parents object to immunization on religious grounds.

Parents of children who will be entering school for the first time next fall are reminded that the above immunization requirements must be met prior to admission to kindergarten or first grade.

L-L school board to meet

The postponed regular monthly meeting of the Lake-Lehman Board of School Directors will be held on Tuesday, Feb. 20, at 8 p.m. in the music room, Lehman - Jackson Elementary Building, Lehman.

President Gilbert D. Tough will preside.
