TOO LATE—Crews from PennDOT were spreading non-skid materials on Lakeside Drive, Harveys Lake, Monday morning after a weekend when three cars left the roadway on the lake side. Saturday night a Volkswagon left the roadway in the vicinity of Point Breeze and crashed into a boathouse. Sunday morning another car left the roadway in the vicinity of the above photo (between Sunset and

Outlet), striking a utility pole and landing in the lake, and Monday morning, the Volkswagon pictured in the right of the above photo apparently left the roadway, narrowly avoiding the lake. The lack of guardrails on the state-maintained road and the lack of non-skid materials were likely factors in all three accidents.
