Stan Magalski
 FOR
SHERIFF
A MAN OF VIGOR & COMPETENCE

Lehman Township Taxpayers Association President Stan Magalski has announced his candidacy in the race for sheriff of Luzerne County in the May 15 primary. A newcomer on the political scene, Magalski will run as an independent Republican. Magalski, a Navy veteran of World War II, is married to the former Maureen Stepanik. Both are Larksville natives and graduates of the Larksville Borough schools. An Oak Hill resident the past 17 years, Magalski was employed by the Pennsylvania Bureau of Corrections over 19 years, being among the first 15 officers hired when the Dallas State Correctional Institute opened. The position he last held with the Bureau, namely Chief of Security Operations, took him into the state's eight prisons and 15 halfway houses. He attended the Pennsylvania State Police Academy at Hershey, receiving extensive training in lethal and non-lethal weapons, instruction in search and contraband and riot control. During his career with the Bureau, Magalski served as a security consultant for Pennsylvania's House of Representatives and was also state chairman of the Correctional Officer's Benevolent Association (C.O.B.A.) and the Commissioned Officer's Association of Pennsylvania. A member of St. John the Baptist RC Church, Larksville, Magalski also served as commander of the American Legion Post 655 in Larksville. Wife, Maureen is a member of Westmoor Church of Christ. Magalski said: "I think that the Luzerne County Sheriff's Department can profit from the training and experience I've received after serving 19 years with the Corrections Bureau." "If given the opportunity, my goal will be to apply the energy and skill I possess towards making the Department the most 'professional' possible."
