"The more you save, the more you save"

"Now I don't have to run from one place to another!"

You see, I'm taking advantage of United Penn's new Smart Saver Checking Account. By keeping both a checking and savings account at United Penn, I qualify for reduced checking account service fees: the more I keep in savings, the more I save on checking costs!

Saving money is always a good idea - and Smart Saver gives me an extra incentive to build up my savings balance. I earn the full interest rate on my savings account and I qualify for lower checking account fees. It's United Penn's way of rewarding savers - and I like it!

I also like the fact that now there's no reason for me to run from one financial institution to another. With Smart Saver, I've got it all in one place!

When you add it all up, Smart Saver Checking is better than earning interest on checking!

INFLATION: The Fire That Won't Go Out

The dollar has shrunk more than half in the last ten years. At the same time double-digit inflation has driven up costs and eaten away at our wage gains.

Host Louis Rukeyser translates the complex elements of this new strain of inflation into easily understood terms, and a wide range of experts join him to report on what we can expect in the months ahead.
