SAVE WITH Double Savings ON MANUFACTURERS' Coupons!

Redeem the manufacturers' money-savings coupons you clip from newspapers and magazines or receive in the mail at Acme Super Saver. When you purchase these items from us we will double the savings marked on the coupons. The offer is good thru June 30, 1979. This offer applies to manufacturers' money-saving coupons only. It does not apply to other stores' coupons, whether a manufacturer is mentioned or not, or to "Free" coupons. Cigarettes, milk, tax, lottery tickets and certain other items are excluded by law. This offer is good for the condition stated, except where the total would exceed the value of the item. When double the value of a manufacturer's coupon exceeds the retail of all of our customers will be equal to the purchase price of the item. To insure product to all of our customers we are limiting our "Double Coupon" offer to one jar of instant coffee and one can of ground coffee per shopping family. The coupons presented with additional purchase of coffee will be redeemed at face value. During the course of this offer, there is a possibility of unusual demand of a particular manufacturer's coupon item. If a manufacturer's coupon item does become temporarily unavailable, please request an advertised price form "Rainbow Check". This entitles you to "Double Savings" on the Manufacturer's coupon items when purchased.
