

Back Mt. residents invited to play "Tupper Cup" tennis

There are many great names in tennis, Wimbledon, Forest Hills and the Davis Cup. Now the Back Mountain is adding a new name and a great tournament opportunity for local tennis buffs, age 16 and older.

Its the Dallas Open "Tupper Cup" tournament scheduled for July 27, 28 and 29 at the Dallas Recreation Center. Joining the Rec Center in sponsoring the tournament are the Dallas Post and Tupper Sporting Equipment, Dallas Shopping Center.

Tournament Chairman Jim Tupper said trophies will be awarded for both first and second place winners in men's and women's singles, and men's and women's doubles. No mixed doubles are planned for this year's tournament.

In addition, each entry will receive a Tupper Cup tournament tee-shirt and a three month subscription to the Dallas Post. Entry fees of \$3 for singles and \$6 for doubles are required of entrants. (Entrants who

already receive the Dallas Post may designate a gift recipient for their subscription.)

Tournament director for the event is Jay Pope of Dallas Recreation Center, assisted by Assistant Tournament Director Cindy Lefko. All tournament rulings will be made by the tournament director and his word is final on any dispute relating to the play of the tournament.

Pope said the tournament will follow the rules of the U. S. Lawn Tennis Association and consist of single elimination play in the best of three sets. In the event of a tie with a set score at six games per player, the set will be decided by a nine point tiebreaker.

Pope said all preliminary matches will be handled on a "call your own" basis with the player nearest the ball having the final call. Line judges will be provided for the final in each category.

All tournament matches will be played on Dallas Recreation Center

courts on Burndale in Dallas Borough, said Pope, and the courts were recently resurfaced and provided with new nets. "I believe they're the best public courts in the area," Pope noted.

Pope said that limited seeding will be arranged so that the champions from last year's Dallas Recreation tennis tourney will be in separate brackets. Dave Williams and Drew Regan were the 1978 champs in Dallas.

The tournament director also emphasized that players who do not show for their assigned matches will forfeit.

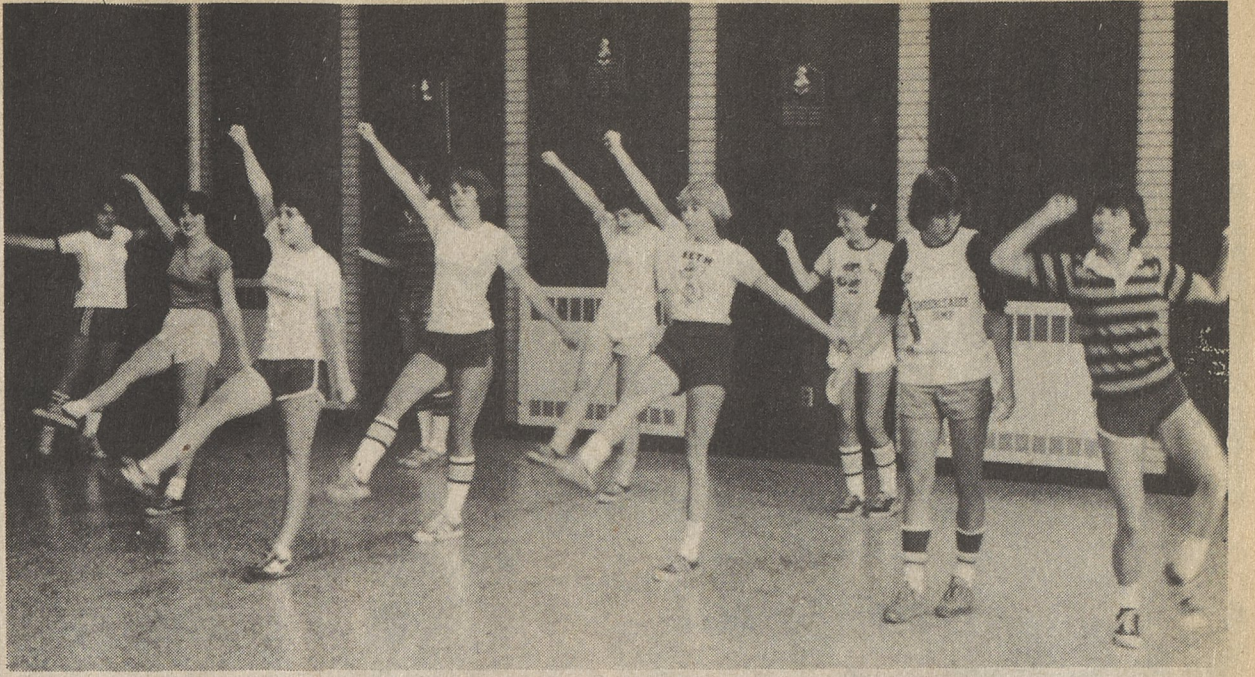

The match is open to all Back Mountain residents age 16 or older. The Back Mountain area includes the townships of Kingston, Franklin, Dallas, Jackson, Lake and Lehman and Noxen Township in Wyoming County plus Harveys Lake and Dallas boroughs.

Entry blanks are available at the Rec Center, at Tupper's Sporting Equipment in Dallas Shopping Center

and in this edition of The Dallas Post.

Tournament Chairman Tupper stressed that everyone residing in the Back Mountain is encouraged to participate in the tournament and will be "the winner" of at least a "Tupper Cupper" tee-shirt and Post subscription.

Entry forms and fees must be received by Tupper's Sporting Equipment, Dallas Shopping Center, Route 309, Dallas, Pa. 18612 by July 20.
