

Lake-Lehman hockey team adds three

Lake-Lehman's hockey team added 3 wins to its record by defeating Wyoming Valley West, Crestwood and Meyers last week.

The first win was a 1-0 overtime tilt against Valley West. According to coach Jane Morris, the Spartans played very aggressive hockey, but Lake-Lehman's defense held Valley West scoreless. On the other hand, Lake-Lehman was also unable to score ending the game 0-0. In the overtime, however, the Pall-Turner combination scored on a corner to make the score 1-0 Lake-Lehman. The score by Pall put her in the high scoring bracket of the league and dropped Valley West from second place.

In Tuesday's game Lake-Lehman defeated Crestwood 2-1. Scoring goals for the Knights were Toni Pall and Tammy Lincoln, while Nancy Marich drove in the lone goal for Crestwood.

On Thursday the Knights defeated an aggressive Meyers team 2-1. Meyers' Kinsmen scored the first goal. Lake-Lehman then put it together when Toni Pall scored on an assist by Turner to tie the score at the half. In the second half the game was an even defensive tilt until Amy Garinger scored the winning goal. Judy Major, Toni Pall, and Tracey Turner led the defense in holding the edge.

Lake-Lehman is now 5-1. They are in second place

CM women's teams have winless week

College Misericordia's women's athletic teams were unable to find the winning combinations last week and as a result suffered through a winless week.

The second doubles team of Connie Havir and Dianne Watchulonis were the lone winners for the Highlanders. The tennis team, under the direction of Coach Sara Gregory, finished their season with

Local 4-H members compete in state horse show

Many months of competition in numerous local and district shows paid off for a number of county 4-H members last week when they won awards at the State 4-H Horse Show in Harrisburg.

The winners and their placings are Lyn Heller, Sweet Valley, 10th place in Cloverleaf Barrel Race, 13.2 hands and over and Sandy Honeywell, Hunlock Creek, 10th place in Western Pleasure ponies.

Several other county horse club members also competed in the state contest and received participation ribbons. They were Susan Atherholt, W. Wyoming; Donna Sue James, Dallas; Gail Heller, Sweet Valley; Sherri Hinkle, Trucksville; Lyn Lewis, Dallas; Bobby McLaughlin, Dallas; Sandy Russell, Hunlock Creek; Tammy and Mary Strittmatter, and Kristin Yenko, Conyngham.

Riders and their horses, all winners of county and district eliminations, were entered in 29 different classes with members from each district in the Commonwealth competing. Approximately 500 contestants from most counties vied for awards.

In 4-H horse production project classes, county winner was Mandy Wolfe, second in Hunter Horse. Mandy lives in Mountaintop.

County Agent, E. V. Chadwick said that classes in the state contest gave members an opportunity to display their skills in horsemanship and ability to groom a horse for showing.

He reports the primary purpose of the 4-H horse program are to develop riding skills; gain self-confidence by competing in shows; receive training in leadership and

citizenship; and learn the meaning of responsibility by caring for an animal.

HARVEYS LAKE VOTERS

The recent state road improvements at Harveys Lake are sound testimony that your committee to stop wasteful spending can recognize and solve the real problems of our community. For the first time in five years the state has finally begun to place speed limit signs and no-litter signs in our town; new guardrails are beginning to appear and drain pipe replacements have been stepped up.

Your Taxpayers Association and the undersigned council candidates are responsible for this work. We fully admit there are many further improvements still needed on all our roads. We expect to continue recognizing only the real needs of our community and we will set our priorities accordingly.

Sincerely,
