This summer Darren will work in the restaurant and also plans to wrestle in several tournaments.

Darren said Lake-Lehman High School is like entering a different world after attending Bishop O'Reilly.

"I'm very happy with the school the way it is. It's all too new for me to have any complaints."

incoming kindergarten parents of students who will be attending the Dallas Borough Elementary School, the Trucksville Elementary School and the Westmoreland Elementary School for the next school term.

Many aspects of the kindergarten will be explained and illustrated at this time. Services and resources available to the students will be presented, as well as an explanation of district procedures concerning screening, placement, regulations, busing, evaluation and reporting.

The elementary staff sincerely hopes that all parents will join them for the program.

The Dallas School District has requested the cooperation of all parents of kindergarten age children who plan to attend kindergarten for the next school year. They may register in the Administration Building,

Church Street, Dallas, any day from 8:30 to 4 p.m. They must bring the child's birth certificate and the complete immunization record to complete the registration.

Gerald Wycallis, director of instruction, said it is essential that the school district be informed of all new students that are planning to register. Problems occur with class assignments and transportation when students are registered late.

He said the Dallas School District encourages all parents of new students or those transferring from other schools to register their children immediately. All first to grade six students are to register at the Administration Building.

Junior and senior high school students should register at their respective schools.

Parents who are unable to come to the registration areas are asked to call the office, 675-5201.

The Dallas School District is interested in securing substitute teachers with dual certification in English Social studies or math for homebound instruction.

Anyone interested should contact Gerald Wycallis in the curriculum office as soon as possible.

Sue King, Mary Elizabeth Craft, Maria Johnson, and the team is coached by Marry Morett, assistant coach and Mike Diskin, head coach.

Technical Advisor is Mrs. P. Morrett and official team photographer is Jerry Kane. Moderator for the girls gymnastic program is Rev. Father Steve McGough of Gate of Heaven Parish.
