45¢ off SAMPLE
Manufacturers' Coupon
+45¢=90¢
From Weis Total Savings!

With a \$10.00 purchase, we will redeem at DOUBLE face value manufacturers' coupons appearing in newspapers, magazines, received to the mail, or in packages. If total savings exceed the price of an item, refunds will not be given. Coupons for free items are exempt from this program, as are any cigarette coupons. Any coupons appearing in the advertisements of any other retailer will not be redeemed. If a manufacturer's coupon item becomes temporarily out of stock a customer courtesy slip will be available so you can get DOUBLE savings on that item in the future. To insure product for all our customers, we are limiting our "Double Coupon" offers to one coffee coupon (one instant and one ground coffee) per shopping family. Additional coupons will be redeemed at face value.

PLEASE NOTE: The double value of any manufacturers' coupon cannot exceed \$1.00. Coupons of \$1.00 or more will be redeemed at face value only.
