On June 20, it was reported a small grandfather "Regulator" reproduction clock was taken from the restaurant. On July 7, decorative knobs on the posts were stolen along with the cover on the thermostat. Patrolman John Appel recovered the knobs when answering a call from a resident whose door had been damaged. Evidently, the persons who took the knob from the Burger King, threw them through a door at the John Davis home at 115 Pioneer Ave. that same day. Walter Davis is continuing the investigation into the theft of the clock.

On July 4, a cinderblock and white rocks were thrown into Morgan's swimming pool breaking the underwater pool lights. The perpetrators also broke the rear tail light on his Volkswagon.

Then on Monday, an unknown substance was dumped into his pool. Sgt. Pugh said Morgan reported his children got sick from the pool water. The state police have a sample of the pool water and will analyze it to determine the nature of the substance. Patrolman Walter Davis handled the investigation and will continue to do so.

3-car accident on Chase Road

Jackson Township police reported a three car accident occurred July 4, 10:15 p.m. on Chase Road. According to police reports, Donald Scavone, 23, RD 1, Sweet Valley, was traveling south on Chase Road when he sideswiped a vehicle operated by Robert E. Janosky, 27, Echo Valley Park, Trucksville, who was proceeding north on Chase Road. Scavone hit Janosky's left rear of his vehicle, tore Janosky's bumper loose, then Scavone lost control of his vehicle and proceeded to hit a car operated by Deborah Ann Shipp, 22, of Coal Street, Nanticoke. Shipp was traveling north, quite a distance in back of Janosky and did not witness the first accident.

Miss Shipp, driving in the north bound lane on Chase Road, had as her passenger, Charmaine Higgins, 143 Sharp Street, Alden. Both women were transported to Nanticoke State Hospital with head and facial injuries. The Shipp vehicle was totaled, police report. The two men involved in the mishap were reportedly not injured at the scene. Officers Pat Kasko, Chief Don Jones, and Burt Balliet investigated. No citations have been issued as yet, according to Balliet.

The deer was then propelled into the air and hit a car operated by Marie Rasinovicz of 59 2nd St. Plymouth. Jones reports no injuries to the persons involved.

The animal died as a result of the incident and was taken to the animal rendering facilities of Elmer Laskowsky, Chase Road.
