### Double Bonus on Manufacturer Coupons

## Double Coupon Savings

# 45¢ off + 45¢ = 90¢

Manufacturers Coupon From Weis Total Savings!

With \$10.00 purchase we will redeem at DOUBLE face value manufacturer coupons appearing in newspapers magazines received on the mail or in packages. If total savings exceed the price of an item, refunds will not be given. Coupons for free items are exempt from this program. All any coupons are coupons. Any coupons appearing in the advertisements of any other retailer will not be redeemed. If a manufacturer's coupon item becomes temporarily out of stock a customer's coupon slip will be available so you can get DOUBLE savings on that item in the future. To insure product for all our customers, we are limiting our Double Coupon offers to one coupon (one instant and one ground coffee) per shopping family. Additional coupons will be redeemed at face value.

PLEASE NOTE: The double value of any manufacturer's coupon cannot exceed \$1.00. Coupons of \$1.00 or more will be redeemed at face value only.
